WHY INSTITUTIONS UPGRADE TO EI-SIMPLIFY

Every Department, Campus & Stakeholder on One Live Truth

Disconnected fee tools, attendance apps, exam spreadsheets, and chat groups create daily reconciliation blind spots. EI-Simplify replaces fragmented software with one cohesive, role-governed operating system.

PILLAR 01

Single Source of Truth

Admit a student once — class rosters, fee invoices, transport stops, library membership, parent logins, and exam registers update instantaneously.

PILLAR 02

Interactive Metric Drill-Down

Click any dashboard KPI, chart bar, or financial total to step through category, class, and person breakdowns straight down to the original voucher or entry.

PILLAR 03

Built-In PDF & Excel Everywhere

Every register, marks card, receipt, certificate, and financial schedule offers instant formatted Excel (.xlsx) export and in-browser A4 print preview.

PILLAR 04

School to University Depth

Supports K-12 continuous assessments and houses alongside PU streams, university CBCS credits, SGPA/CGPA transcripts, APAAR/ABC IDs, and NAAC/NBA metrics.

PILLAR 05

Board & Multi-Campus Ready

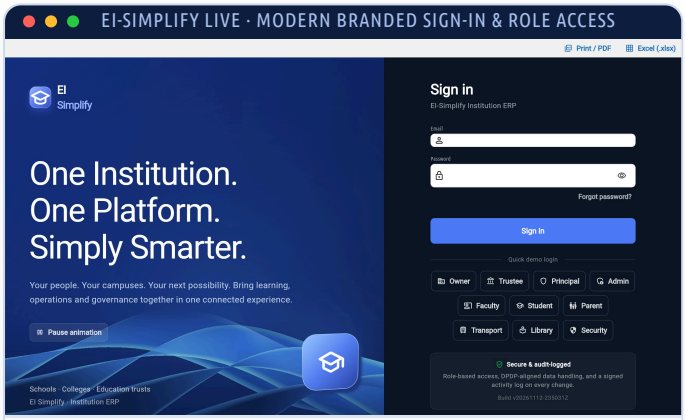
Switch seamlessly between a single campus and trust-wide consolidation, backed by a dedicated fiduciary workspace for Board Trustees.

PILLAR 06

DPDP Privacy & Signed Audits

Hosted in India with strict tenant isolation, multi-factor authentication, parental consent tracking, and an immutable activity log on every change.

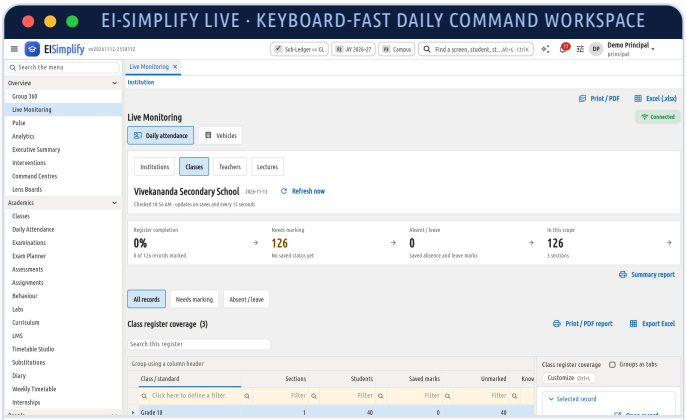
EI-SIMPLIFY LIVE · MODERN BRANDED SIGN-IN & ROLE ACCESS



Modern Branded Sign-In & Role Access

Single sign-in gateway for leadership, faculty, staff, students, and parents across web and Android.

EI-SIMPLIFY LIVE · KEYBOARD-FAST DAILY COMMAND WORKSPACE



Keyboard-Fast Daily Command Workspace

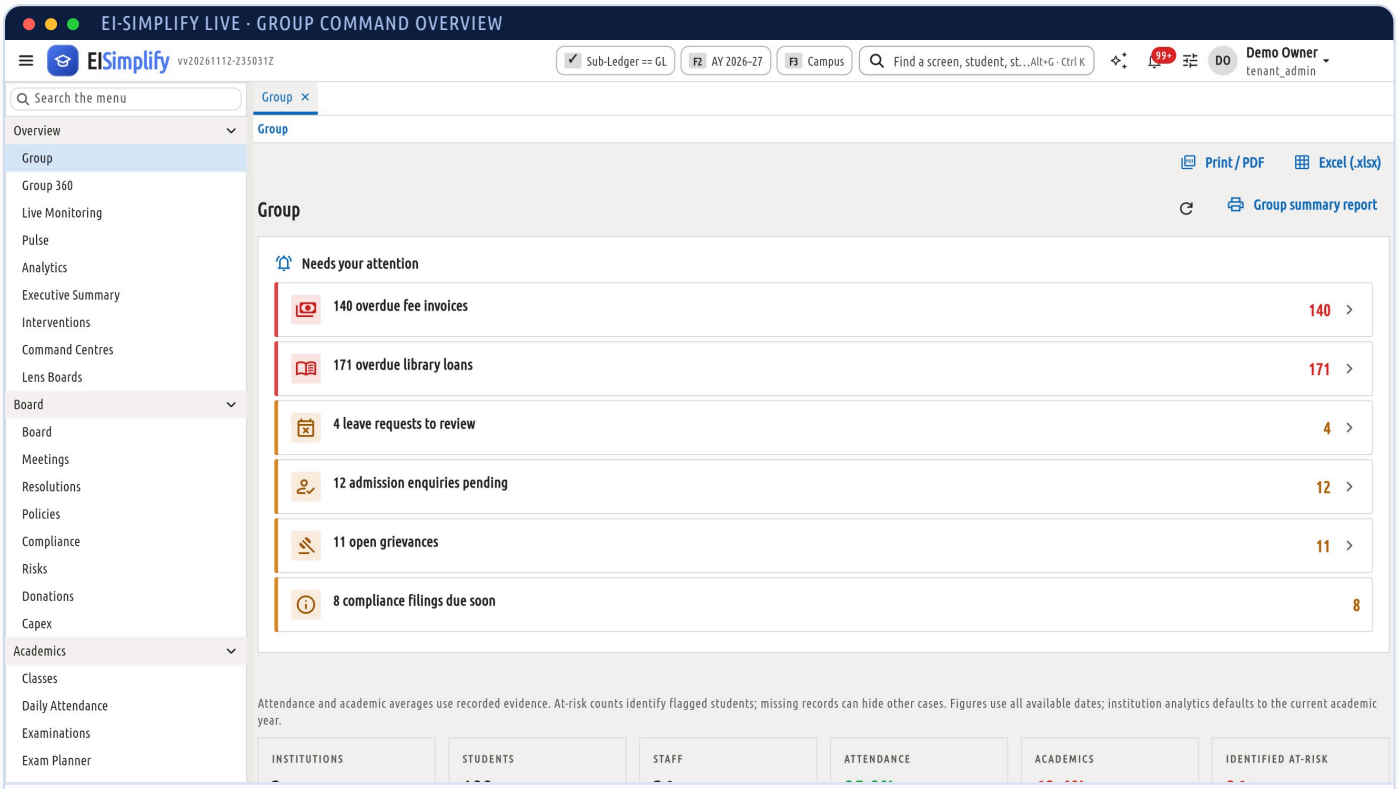
UNIFIED CORE

CHAPTER 01 · MULTI-INSTITUTION GROUP COMMAND

Unified Group Oversight Across Every Campus

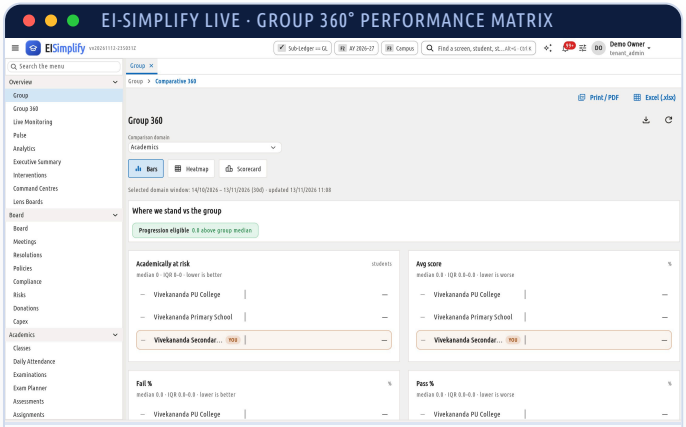
Education trusts, school chains, and college groups monitor admissions, attendance, fee collections, and campus health from one real-time executive workspace.

CROSS-CAMPUS KPI ROLLUPS | INSTANT CAMPUS SCOPE SWITCH | EXCEL & PRINT-READY PDF REPORTS



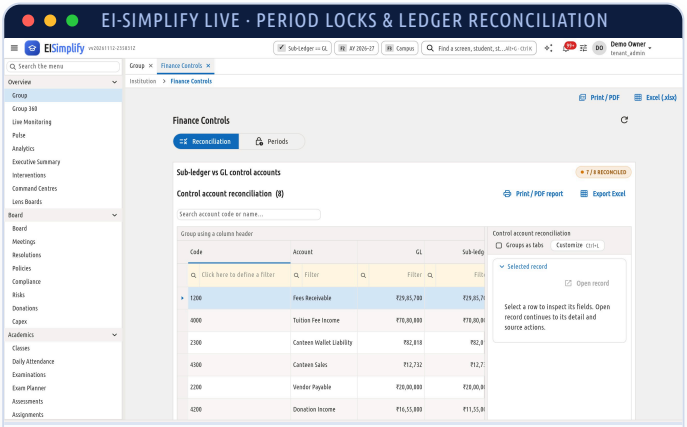
Group Command Overview

Consolidated enrolment, attendance, collection velocity, and campus comparison across every school and college in the trust.



Group 360° Performance Matrix

Side-by-side institutional benchmarking across academic outcomes, fee recovery, and staffing ratios.



Period Locks & Ledger Reconciliation

Centralised fiscal period governance and real-time verification between sub-ledgers and general ledger accounts.

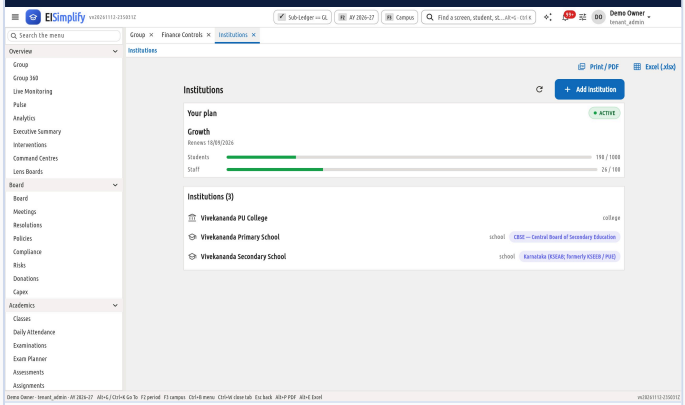
CHAPTER 02 · ONBOARDING & DECISION COMMAND CENTRES

Campus Provisioning & Cross-Domain Intelligence

Spin up new campuses in minutes, invite role-scoped leadership teams, and fuse attendance, fee, academic, and staffing signals into early-warning hubs.

MULTI-TENANT PROVISIONING | ROLE-BASED INVITATIONS | FEE COLLECTION VELOCITY

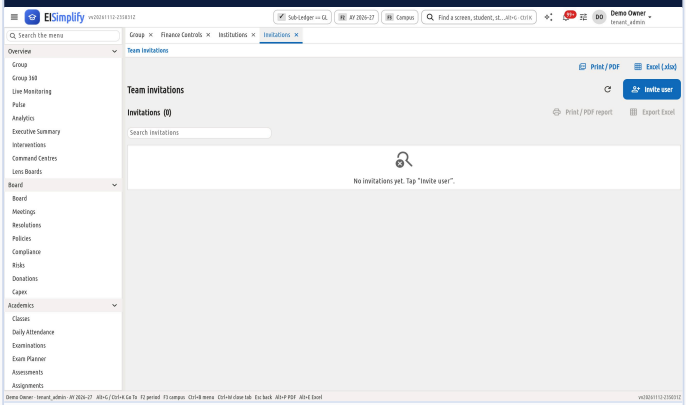
EI-SIMPLIFY LIVE · INSTITUTIONS & CAMPUS REGISTRY



Institutions & Campus Registry

Configure schools, PU colleges, and degree institutions with independent boards, academic years, and branding.

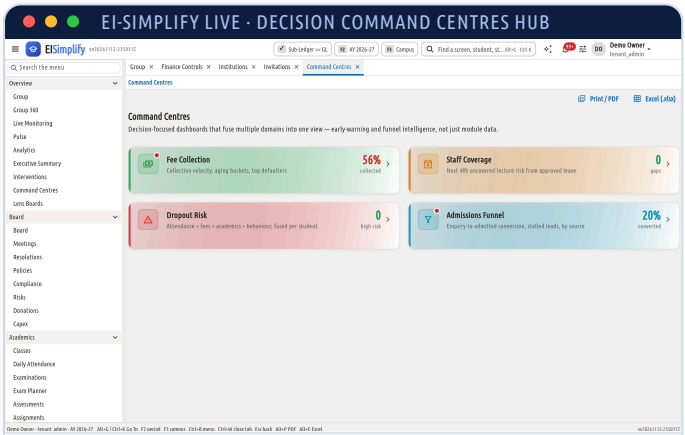
EI-SIMPLIFY LIVE · ROLE-SCOPED USER ONBOARDING



Role-Scoped User Onboarding

Issue secure, expiring email invitations bound to exact institutional roles and campus scopes.

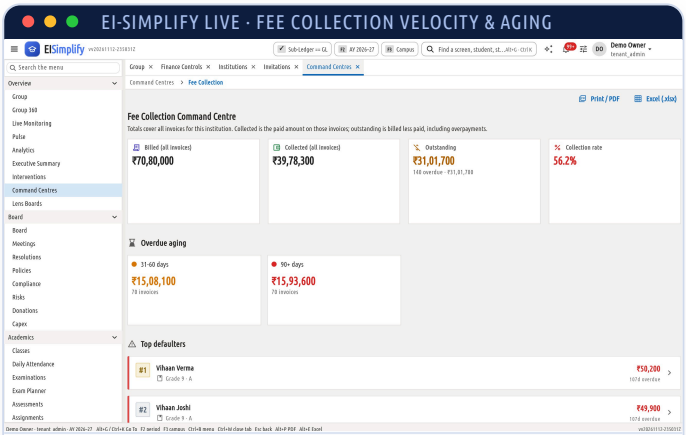
EI-SIMPLIFY LIVE · DECISION COMMAND CENTRES HUB



Decision Command Centres Hub

Four high-impact operational lenses uniting finance, retention, faculty coverage, and admissions conversion.

EI-SIMPLIFY LIVE · FEE COLLECTION VELOCITY & AGING



Fee Collection Velocity & Aging

Track daily collection momentum, overdue aging buckets, and priority follow-up cohorts with one-click drill-down.

All metrics and registers above support live filtering, progressive drill-down to source entries, Excel (.xlsx) export, and A4 PDF print preview.

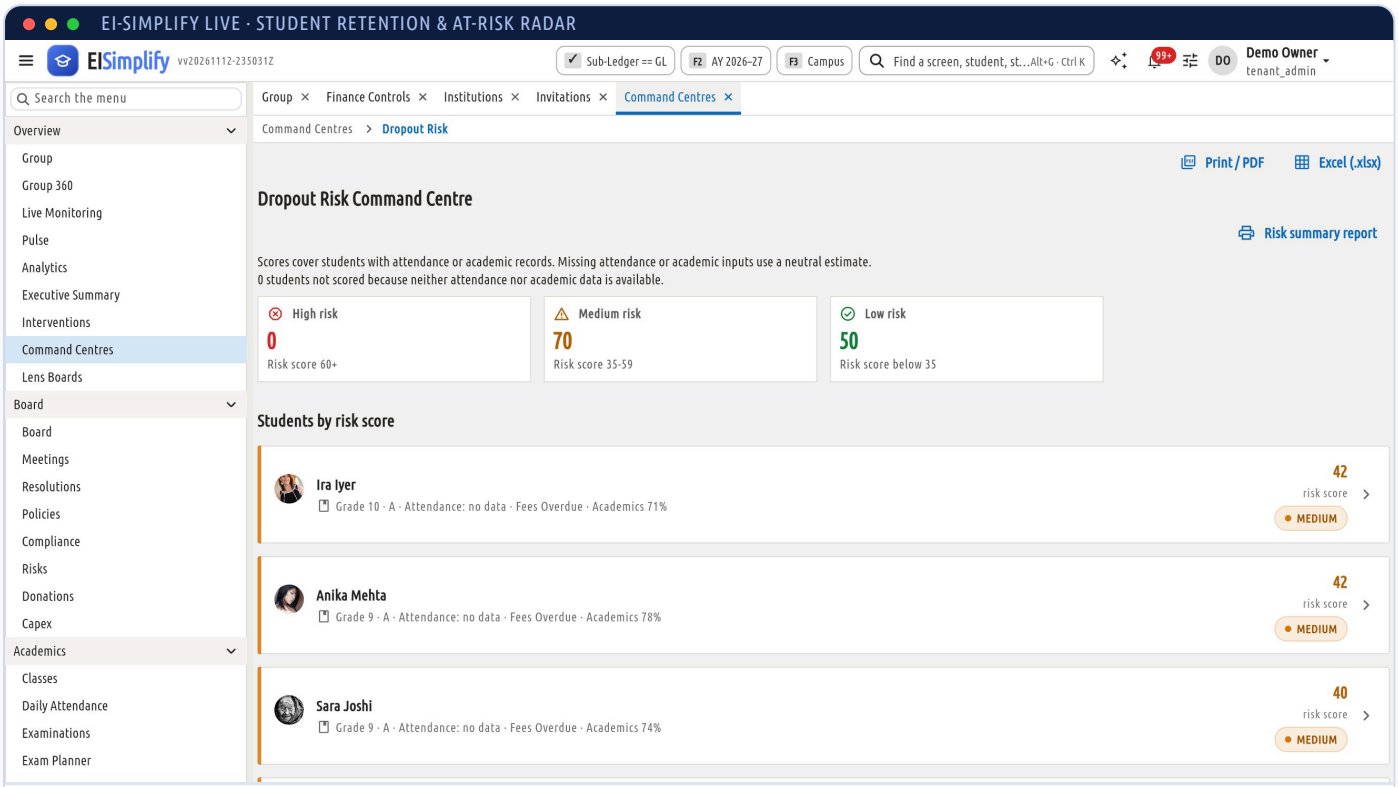
LIVE PRODUCTION UI

CHAPTER 02 · PROACTIVE EARLY-WARNING COMMAND CENTRES

Spot Student Risk, Coverage Gaps & Funnel Bottlenecks Early

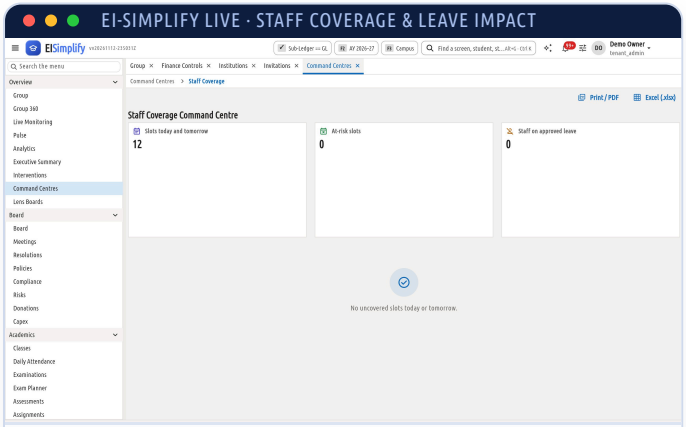
Instead of static end-of-term summaries, leadership teams act daily on live risk scores, 48-hour teacher substitution needs, and enquiry-to-admission conversion.

FUSED STUDENT RISK SIGNALS | 48-HOUR SUBSTITUTION FORECAST | ENQUIRY-TO-SEAT FUNNEL



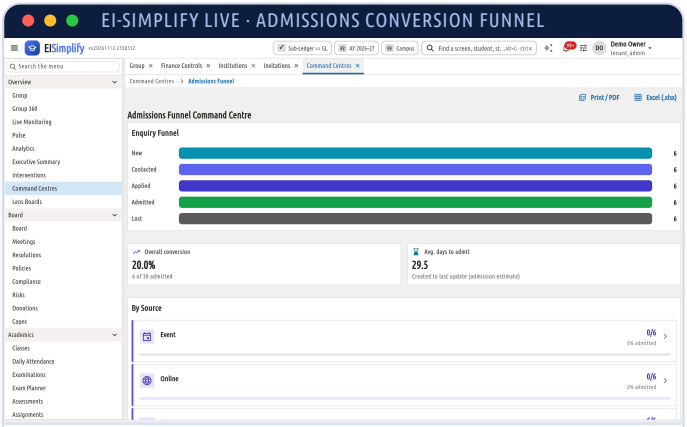
Student Retention & At-Risk Radar

Combines attendance dips, academic trends, fee arrears, and conduct notes to surface learners needing timely support.



Staff Coverage & Leave Impact

Highlights upcoming uncovered lectures from approved staff leave so coordinators assign substitutions before classes begin.



Admissions Conversion Funnel

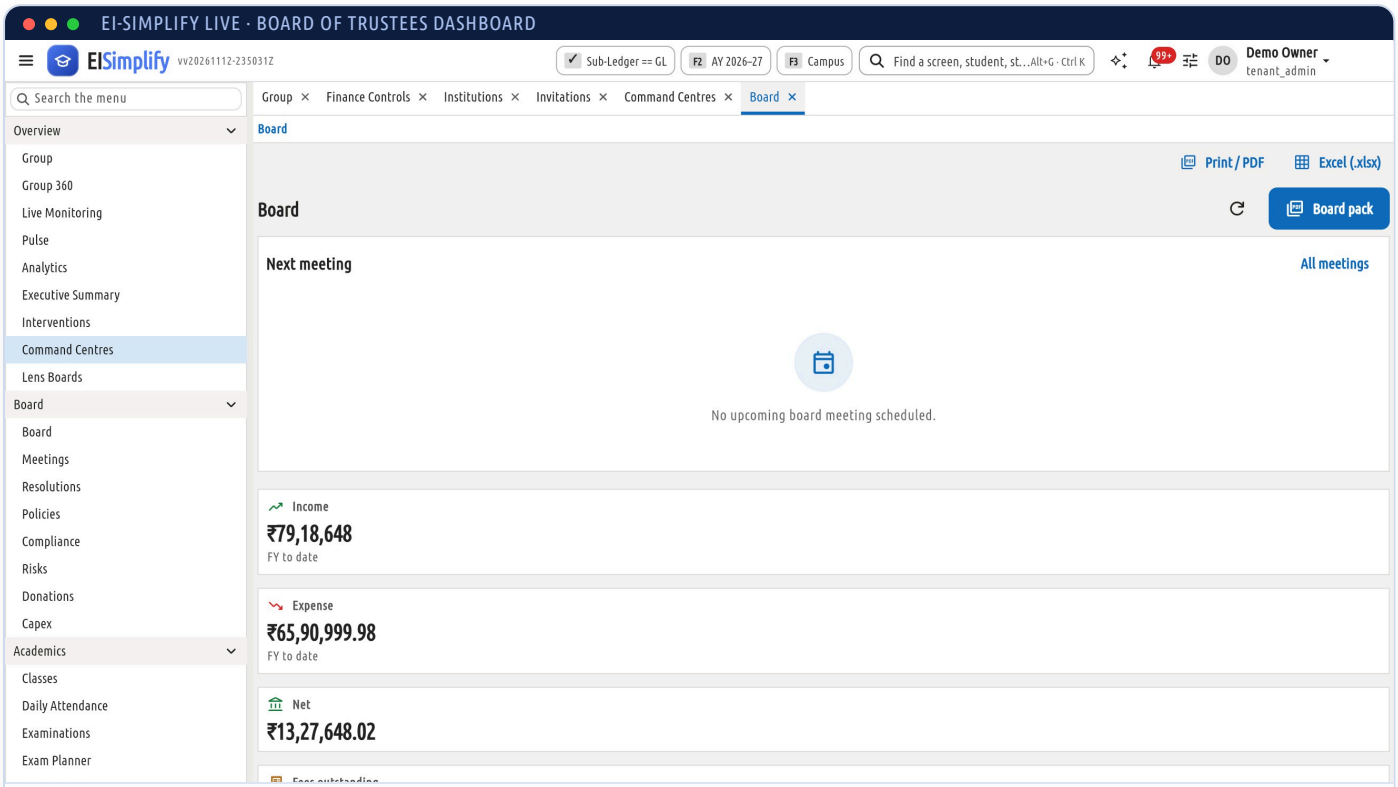
Measures enquiry sources, counsellor follow-ups, campus visits, and confirmed seat conversions by grade or programme.

CHAPTER 03 · BOARD OF TRUSTEES & TRUST GOVERNANCE

Purpose-Built Governance Tier for Trustees & Governing Councils

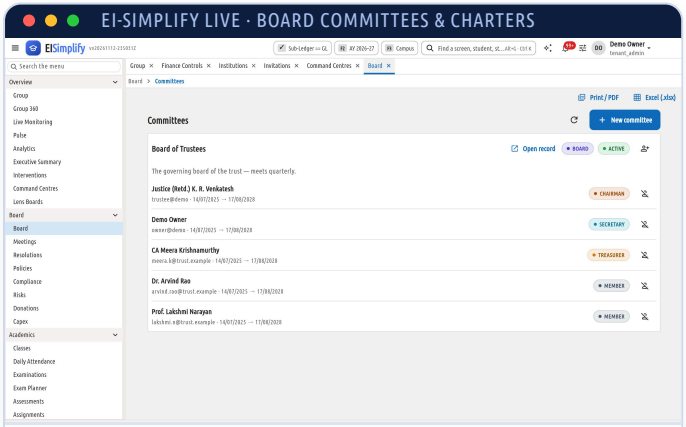
Give trustees fiduciary clarity without operational clutter — board packs, committee charters, quorum tracking, and signed resolutions in one auditable vault.

FIDUCIARY SUMMARY VIEW | BOARD & COMMITTEE PACKS | AGENDA & QUORUM TRACKING



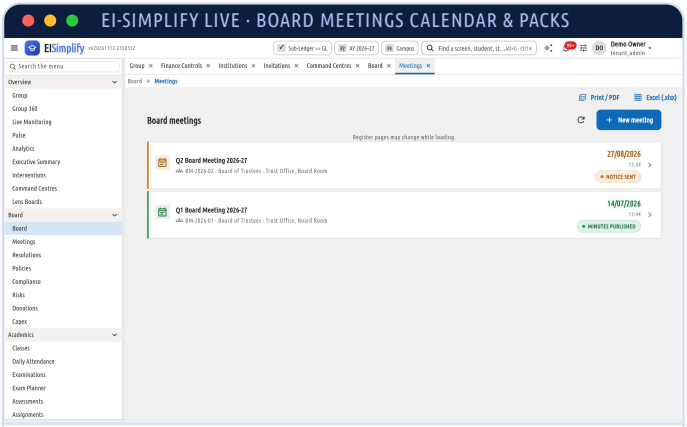
Board of Trustees Dashboard

High-level trust health across enrolments, surplus/deficit, statutory filings, active risks, and capital projects.



Board Committees & Charters

Manage Academic, Finance, Audit, and Building committees with member rosters and scheduled review cycles.



Board Meetings Calendar & Packs

Publish structured board notices, downloadable agenda books, attendance registers, and ratified minutes.

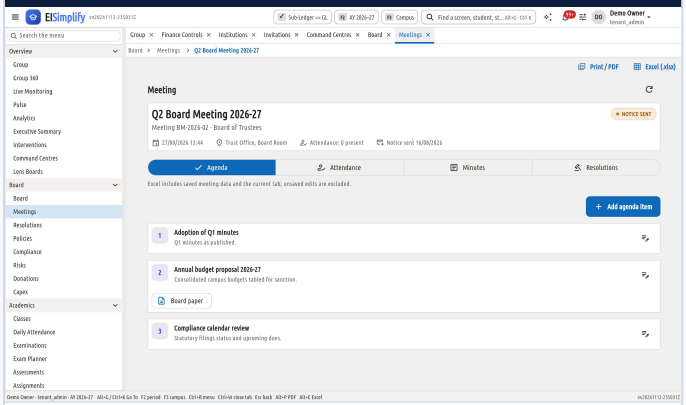
CHAPTER 03 · RESOLUTIONS, POLICIES & STATUTORY FILINGS

From Boardroom Motion to Institutional Policy & Compliance

Every board decision links directly to dated resolutions, versioned institutional policies, and statutory renewal calendars across all affiliated campuses.

VOTING & RESOLUTION LEDGER | POLICY VERSION CONTROL | AFFILIATION & RENEWAL ALERTS

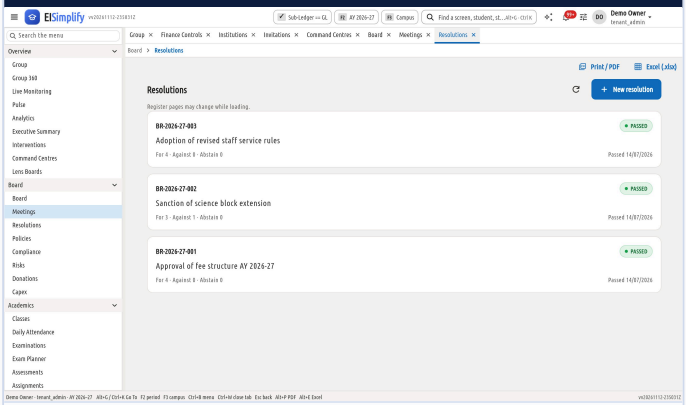
EI-SIMPLIFY LIVE · MEETING AGENDA & MINUTES WORKSPACE



Meeting Agenda & Minutes Workspace

Itemised agenda discussions, action owners, attached supporting schedules, and formal minute ratification.

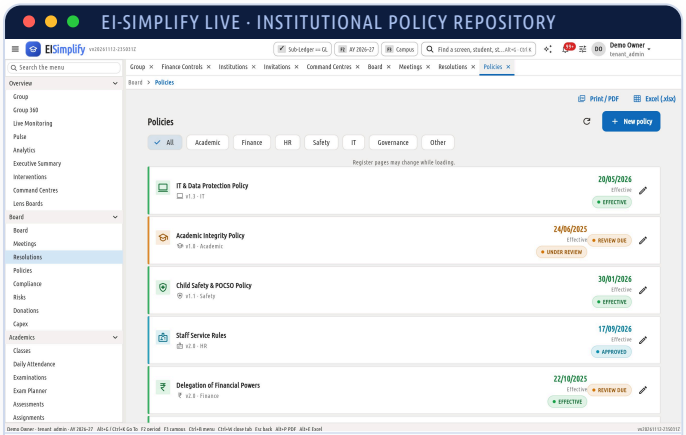
EI-SIMPLIFY LIVE · SIGNED BOARD RESOLUTIONS REGISTER



Signed Board Resolutions Register

Searchable archive of passed resolutions with mover/seconder records and implementation status.

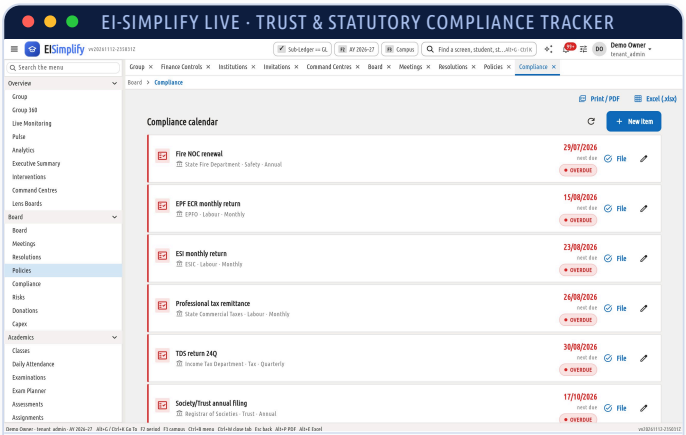
EI-SIMPLIFY LIVE · INSTITUTIONAL POLICY REPOSITORY



Institutional Policy Repository

Centralised child-safety, HR, fee, academic integrity, and IT policies with review reminders.

EI-SIMPLIFY LIVE · TRUST & STATUTORY COMPLIANCE TRACKER



Trust & Statutory Compliance Tracker

Monitor board affiliations, fire/safety NOCs, trust filings, and inspection readiness deadlines.

All metrics and registers above support live filtering, progressive drill-down to source entries, Excel (.xlsx) export, and A4 PDF print preview.

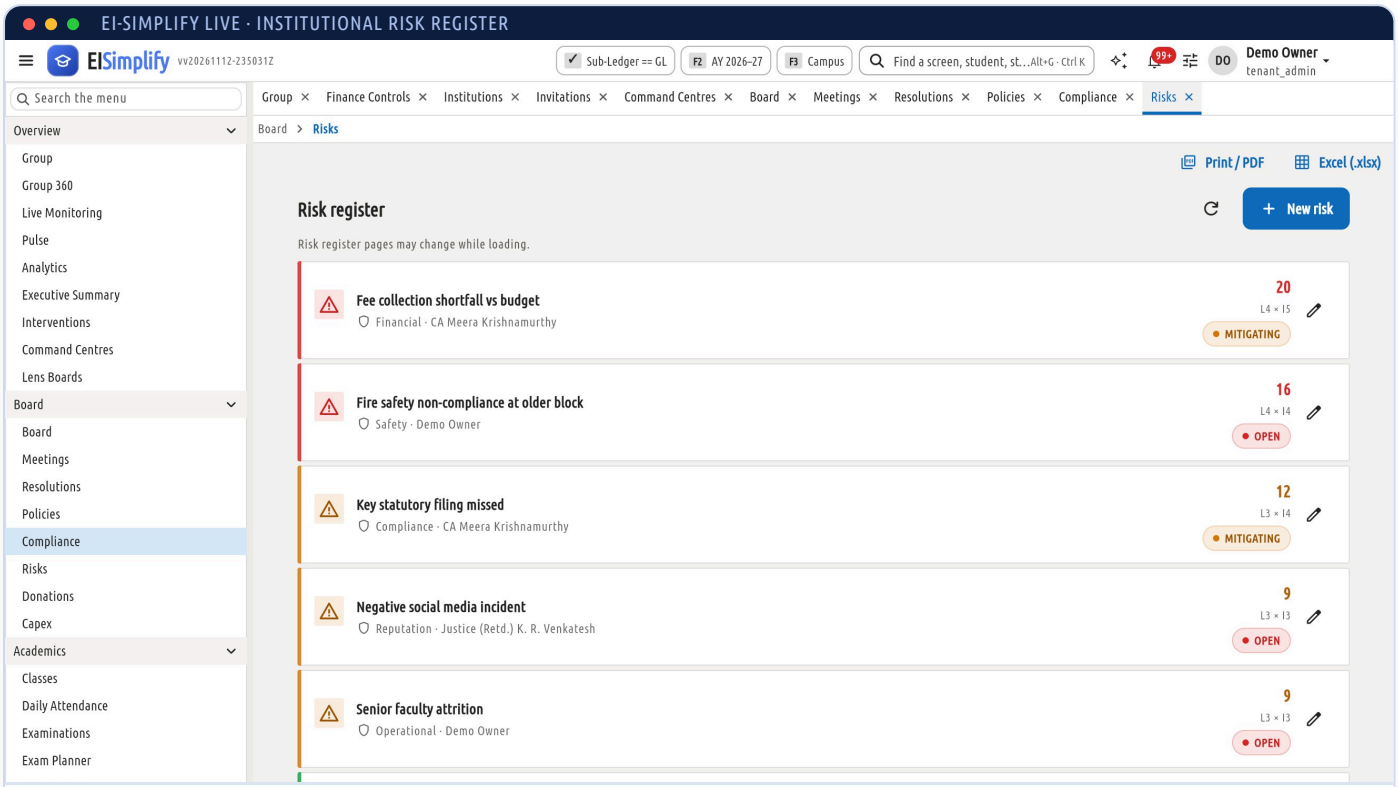
LIVE PRODUCTION UI

CHAPTER 03 · RISK REGISTER, ENDOWMENTS & CAPITAL PROJECTS

Stewardship Over Institutional Risk, Donations & Infrastructure

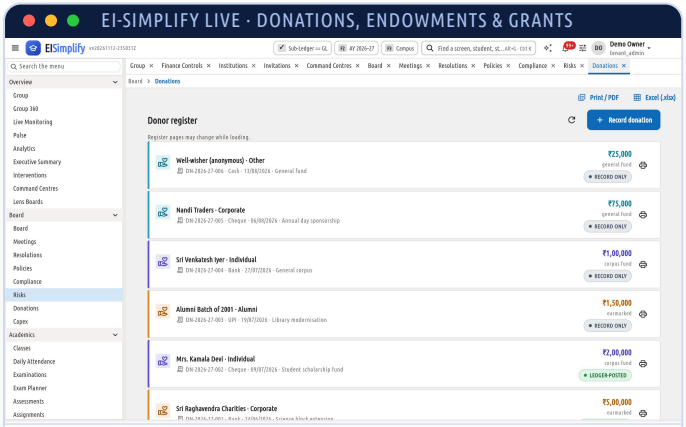
Track risk mitigation plans, ring-fenced scholarship endowments, CSR/alumni grants, and multi-stage campus construction budgets with full accountability.

ENTERPRISE RISK HEATMAPS | DONOR & CORPUS STEWARDSHIP | CAPEX MILESTONE TRACKING



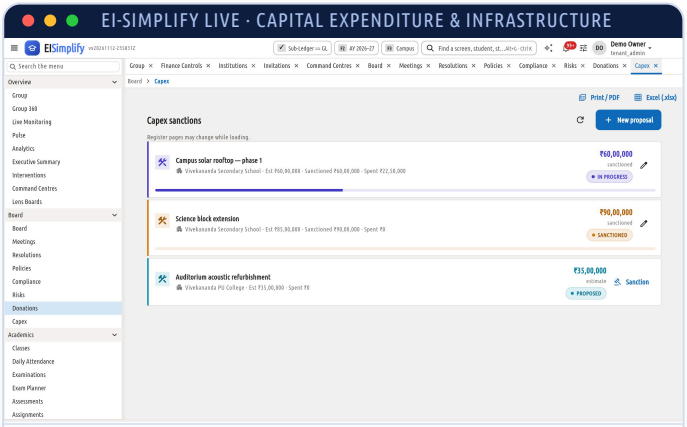
Institutional Risk Register

Assess likelihood, severity, mitigation owners, and residual exposure across operational, financial, and regulatory risks.



Donations, Endowments & Grants

Record restricted and unrestricted corpus gifts, donor receipts, and scholarship fund utilisation.



Capital Expenditure & Infrastructure

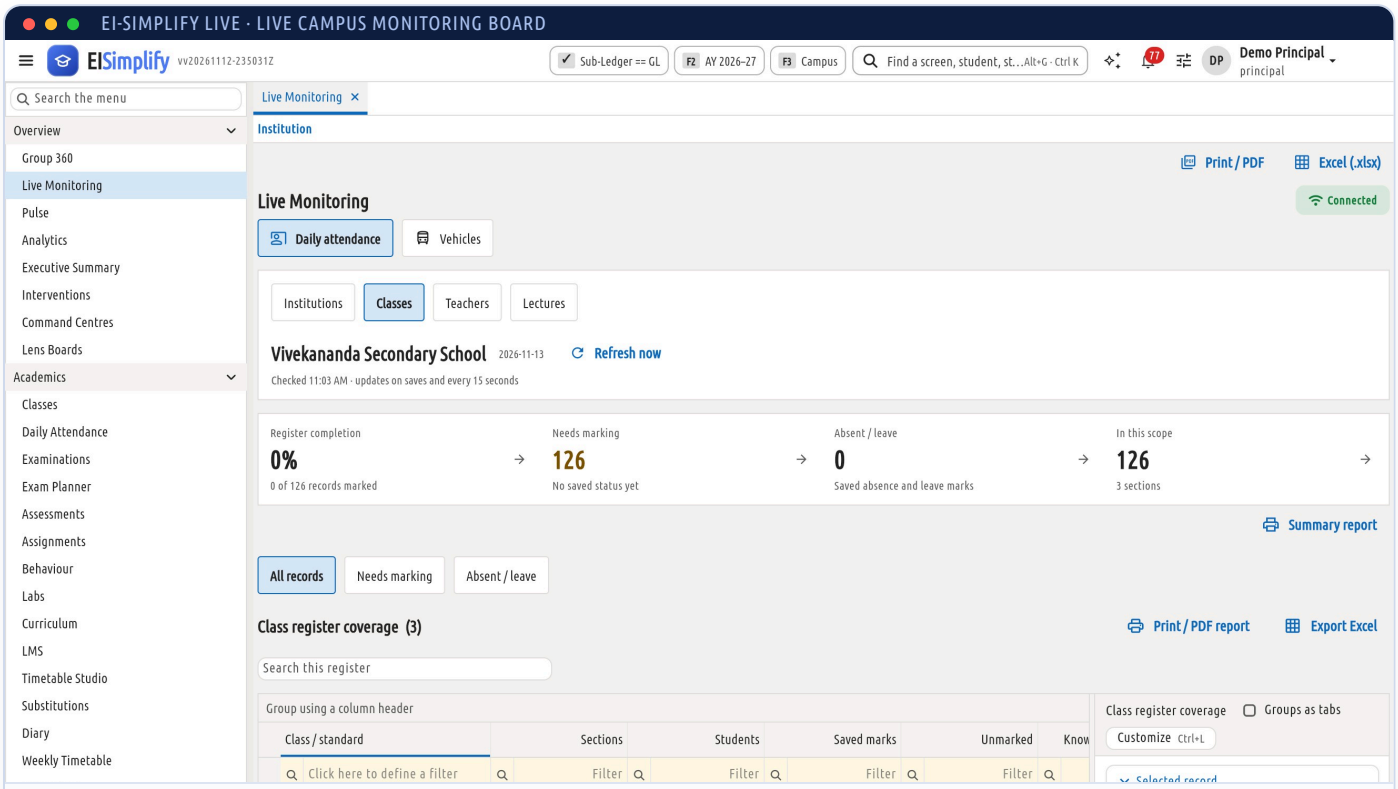
Sanctioned vs actual spend, vendor milestones, and variance tracking for new blocks, labs, and digital upgrades.

CHAPTER 04 · LIVE CAMPUS MONITORING & EXECUTIVE INTELLIGENCE

Real-Time Operational Visibility Across Classrooms & Campuses

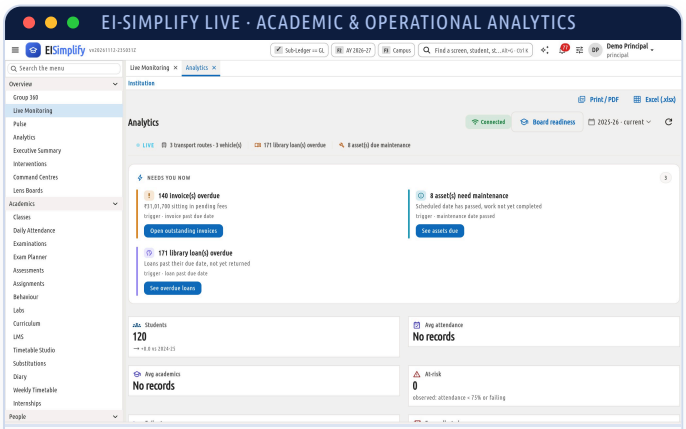
Principals and academic heads watch daily attendance completion, active lectures, cohort analytics, and executive briefings update live throughout the day.

15-SECOND LIVE UPDATES | INTERACTIVE COHORT ANALYTICS | AI EXECUTIVE BRIEFINGS



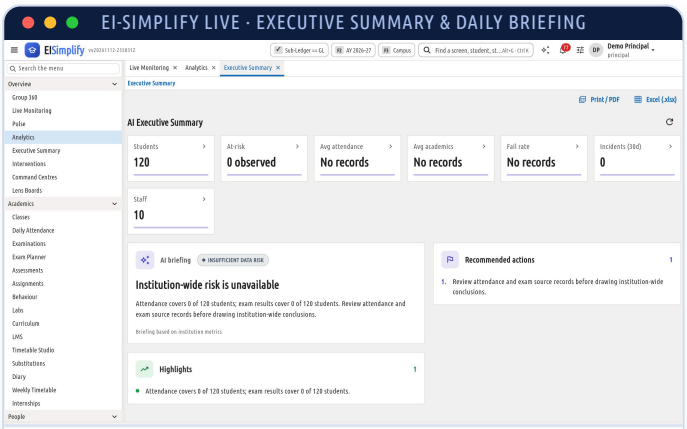
Live Campus Monitoring Board

Real-time section attendance marking status, active periods, teacher presence, and live fleet telemetry.



Academic & Operational Analytics

Interactive multi-dimensional charts with instant drill-down from institution trends to section and learner records.



Executive Summary & Daily Briefing

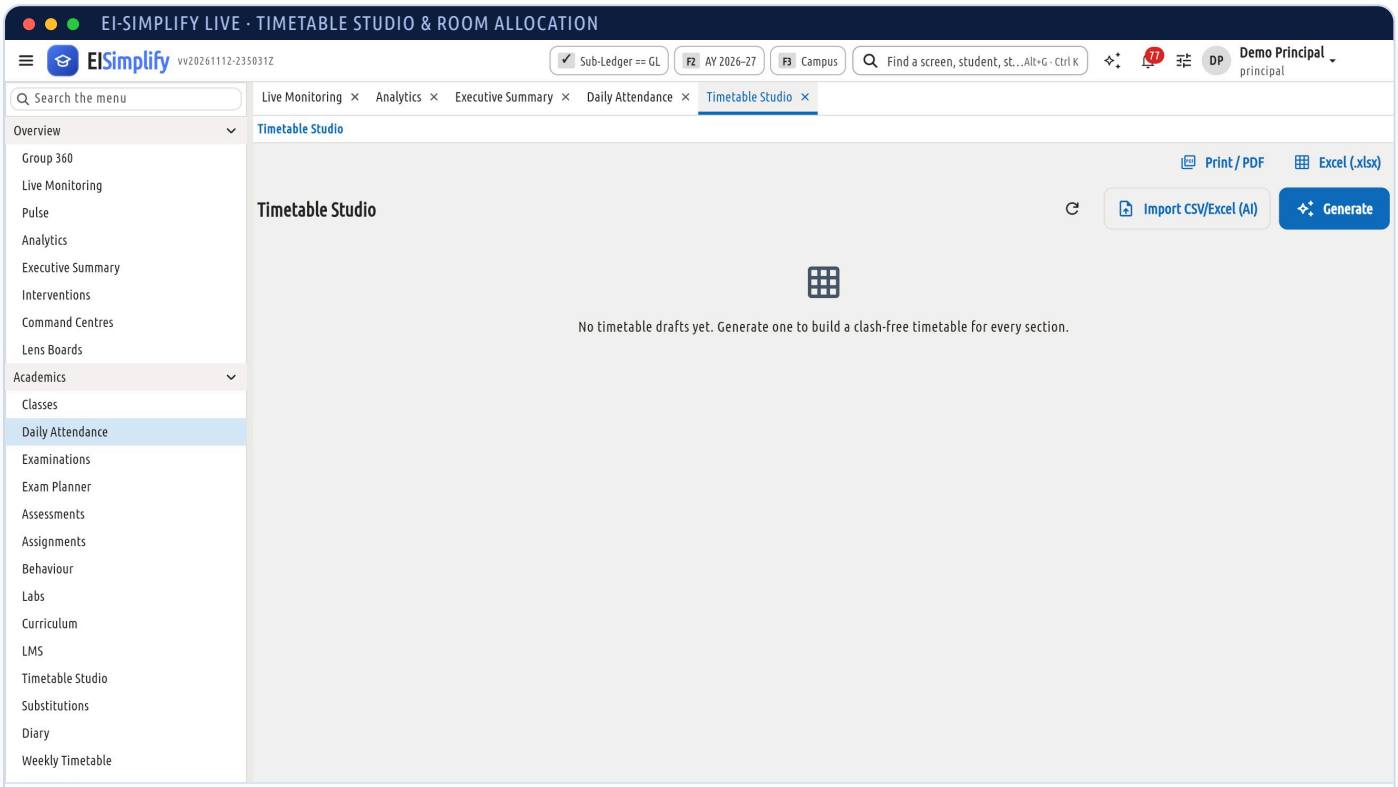
Synthesised narrative highlights, key movements, and priority action items prepared automatically for leadership.

CHAPTER 04 · CAMPUS PULSE, ATTENDANCE & TIMETABLE STUDIO

Fast Daily Execution for Principals, Coordinators & Class Teachers

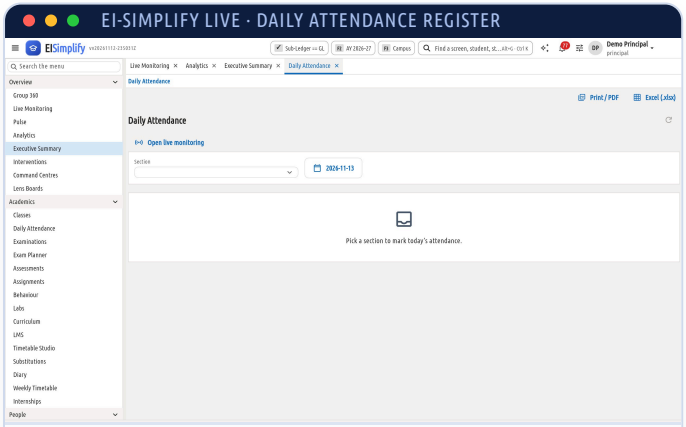
Start the morning with Campus Pulse, mark or audit section attendance in seconds, and build conflict-free master timetables across rooms and faculty.

MORNING CAMPUS PULSE | ONE-TAP REGISTER MARKING | CONFLICT-FREE TIMETABLING



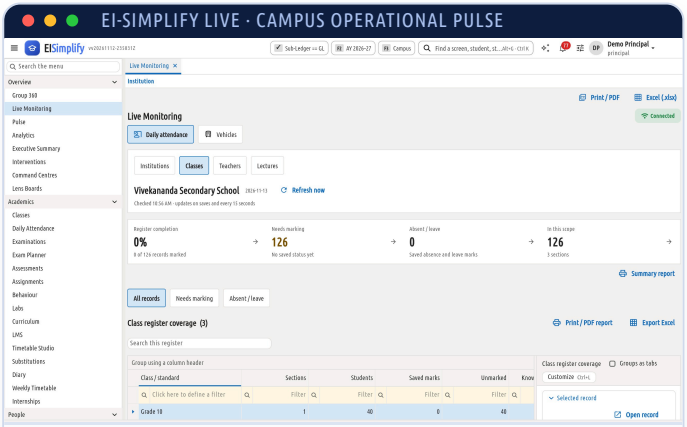
Timetable Studio & Room Allocation

Visual period grid with automatic teacher-clash and room-capacity validation across classes and streams.



Daily Attendance Register

Streamlined present/absent/late marking with instant parent notifications and monthly attendance summaries.



Campus Operational Pulse

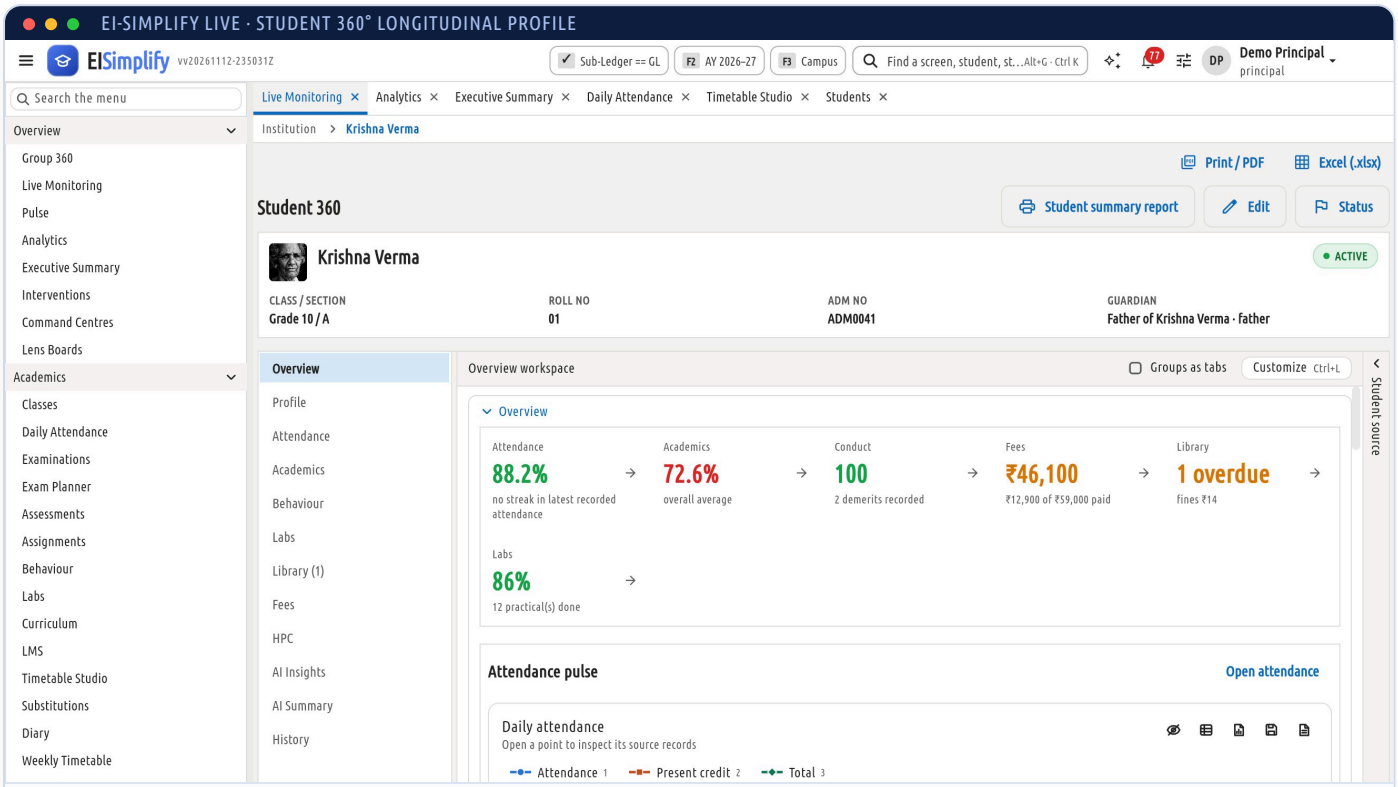
At-a-glance daily command view uniting attendance, fee dues, active interventions, and quick register search.

CHAPTER 05 · STUDENT LIFECYCLE, 360° PROFILES & ADMISSIONS

Every Learner's Complete Journey From Enquiry to Graduation

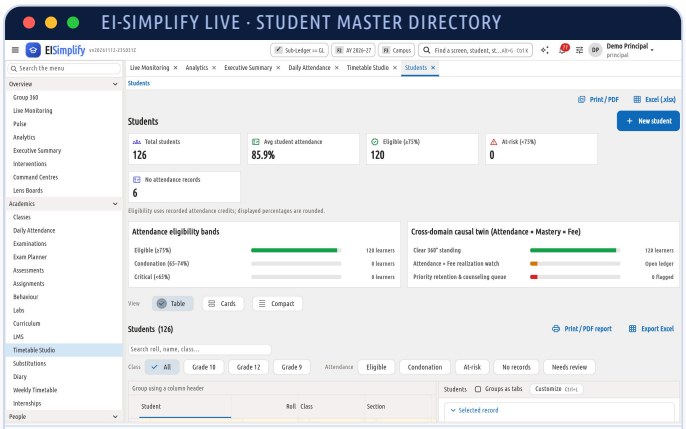
Maintain clean longitudinal student records uniting admissions history, guardianship, academics, attendance, fee ledgers, health, and pastoral interventions.

LONGITUDINAL STUDENT 360° | ONLINE & WALK-IN CRM | APAAR / ABC ID READY



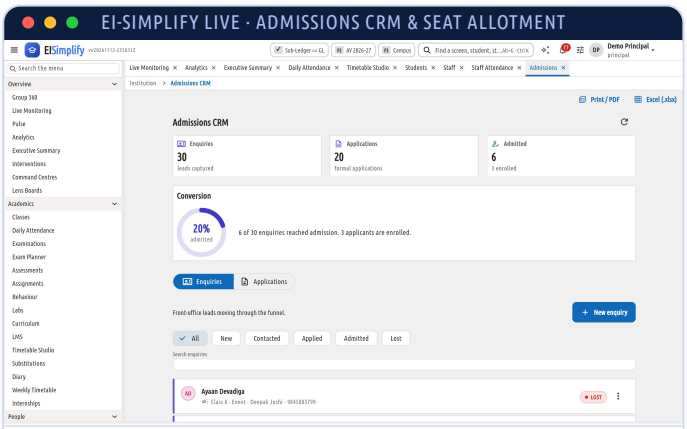
Student 360° Longitudinal Profile

Unified single-student view combining attendance, exam trends, fee balance, conduct, documents, and guardian contacts.



Student Master Directory

Fast multi-column filtering, group-by class/section/house, bulk Excel export, and scoped PDF roster printing.



Admissions CRM & Seat Allotment

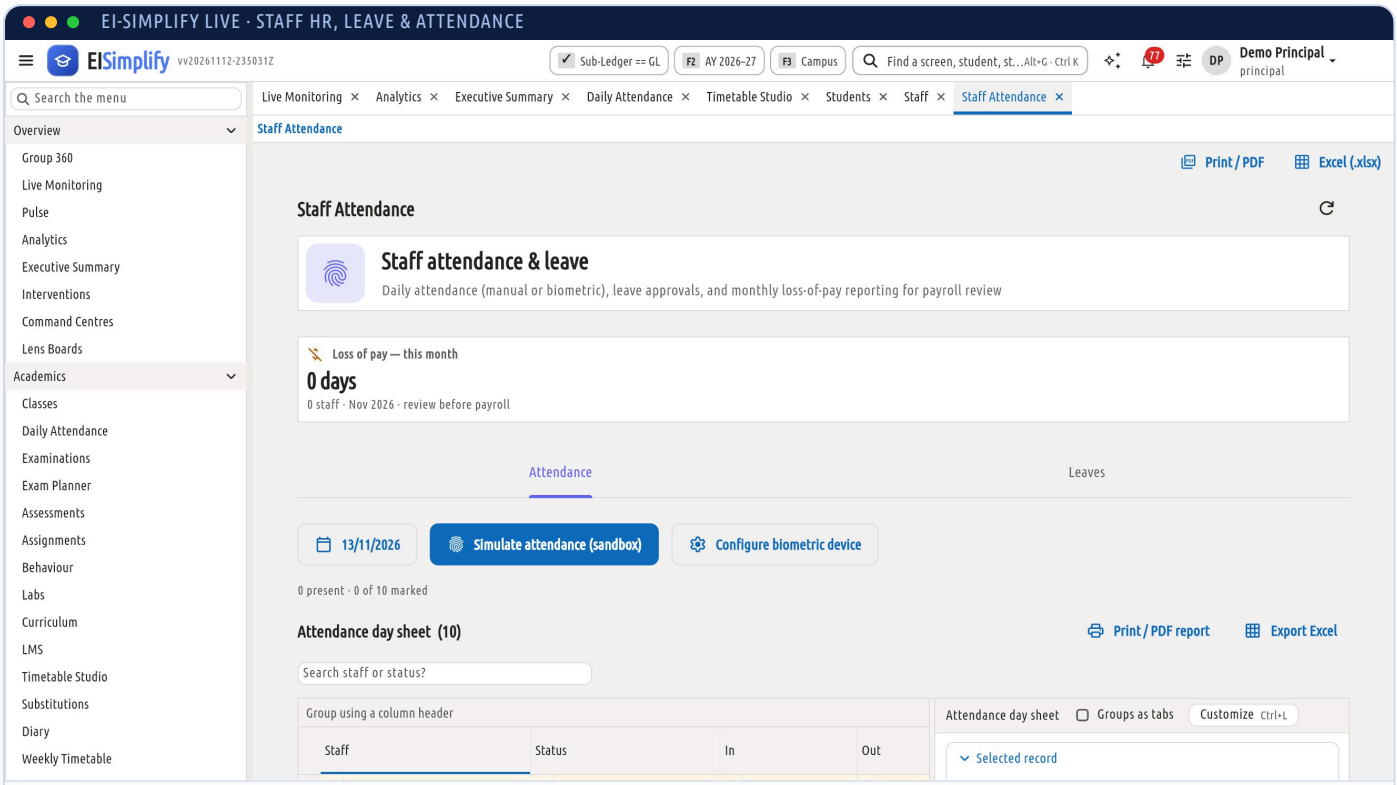
Manage enquiries, entrance tests, document verification, merit lists, and one-click conversion into enrolled students.

CHAPTER 05 · FACULTY DIRECTORY, STAFF HR & ALUMNI NETWORK

Empowering Educators & Lifelong Institutional Community

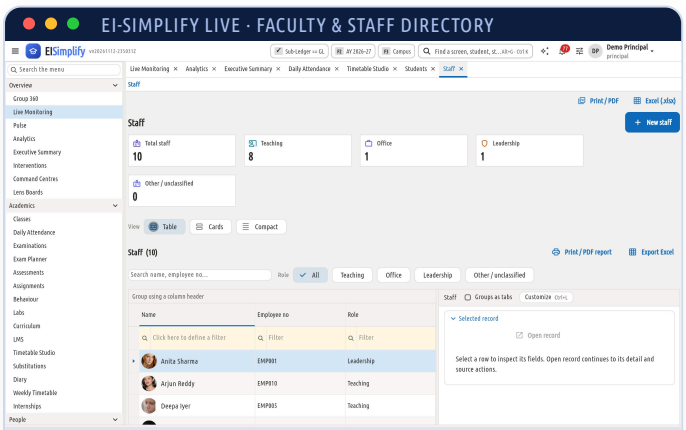
Centralise staff credentials, service records, leave balances, appraisals, and alumni relations in one connected people platform.

STAFF CREDENTIALS & WORKLOAD | CL / SL / EL LEAVE WORKFLOWS | ENGAGED ALUMNI DIRECTORY



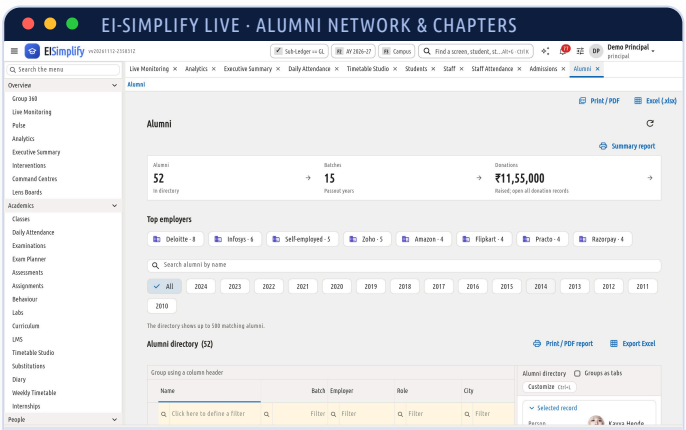
Staff HR, Leave & Attendance

Manage leave entitlements, approval chains, biometric/daily attendance logs, and service milestones.



Faculty & Staff Directory

Complete teaching and non-teaching roster with department, designation, qualifications, and assigned subjects.



Alumni Network & Chapters

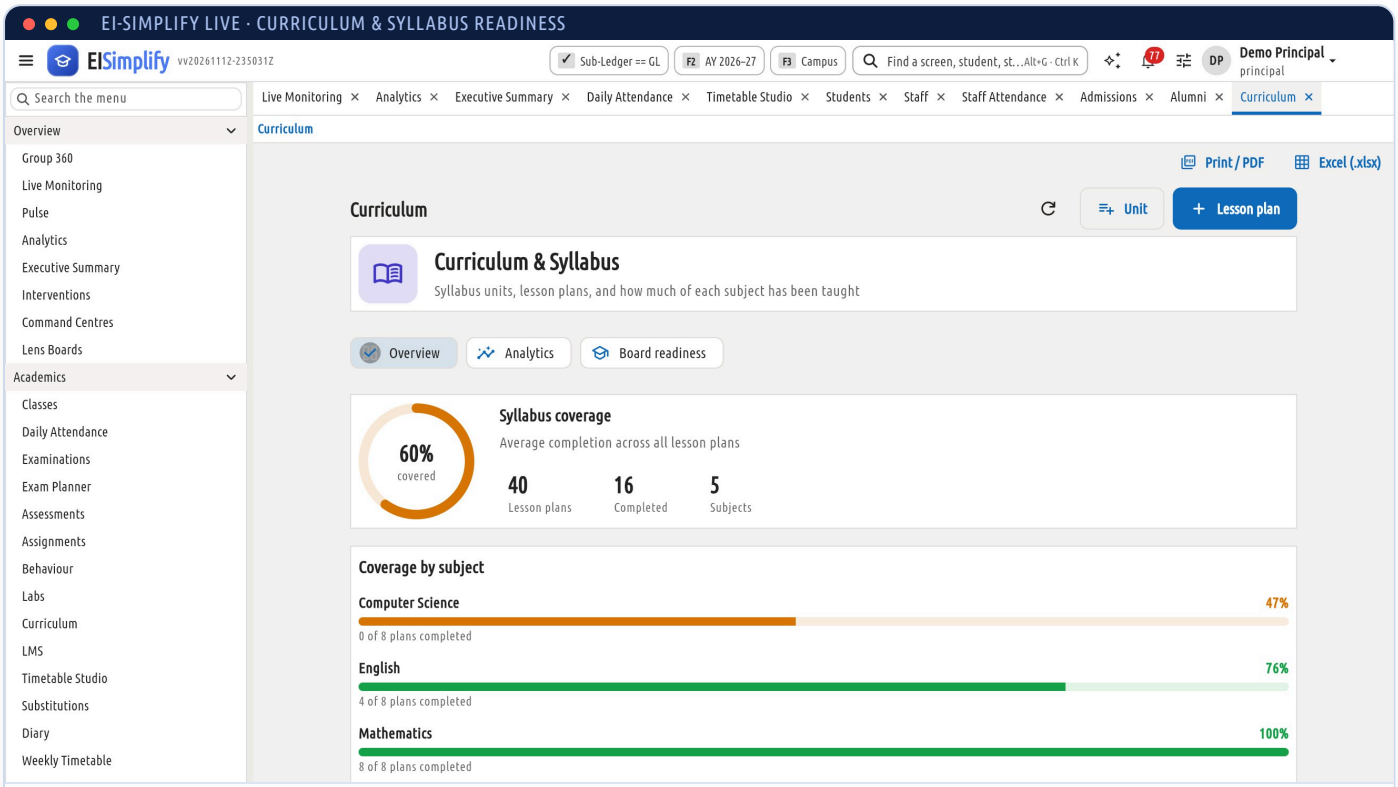
Stay connected with graduating batches for mentorship, career talks, reunions, and institutional giving.

CHAPTER 06 · CURRICULUM, ASSIGNMENTS & PRACTICAL LABS

Structured Syllabus Delivery From Lesson Plan to Lab Record

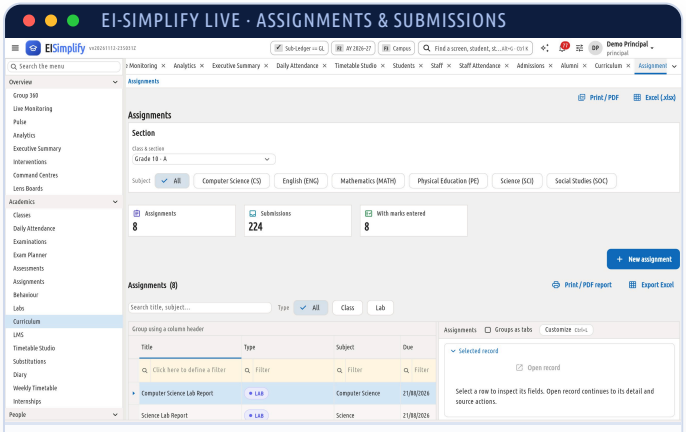
Align unit plans to CBSE, ICSE, State Board, PU, or university outcomes, track syllabus pacing, and manage digital homework and laboratory sessions.

BOARD-ALIGNED LESSON PLANS | DIGITAL HOMEWORK & RUBRICS | LAB BATCH & EQUIPMENT LOGS



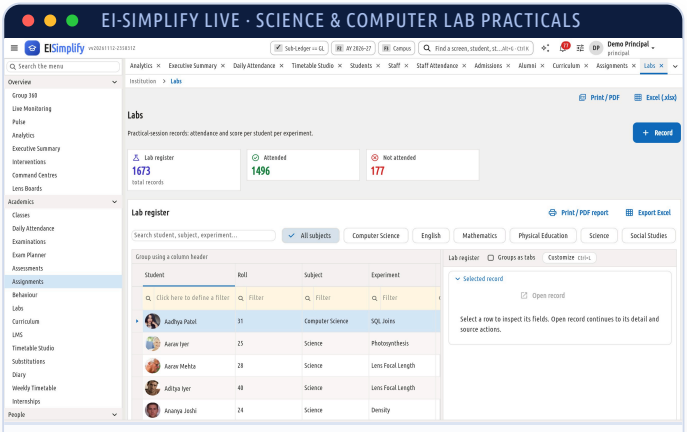
Curriculum & Syllabus Readiness

Map chapters, learning outcomes, planned periods, and real-time completion progress across every section.



Assignments & Submissions

Publish classwork and homework with attachments, due dates, submission tracking, and teacher feedback.



Science & Computer Lab Practicals

Schedule lab batches, track experiment completion, and log apparatus usage and safety readiness.

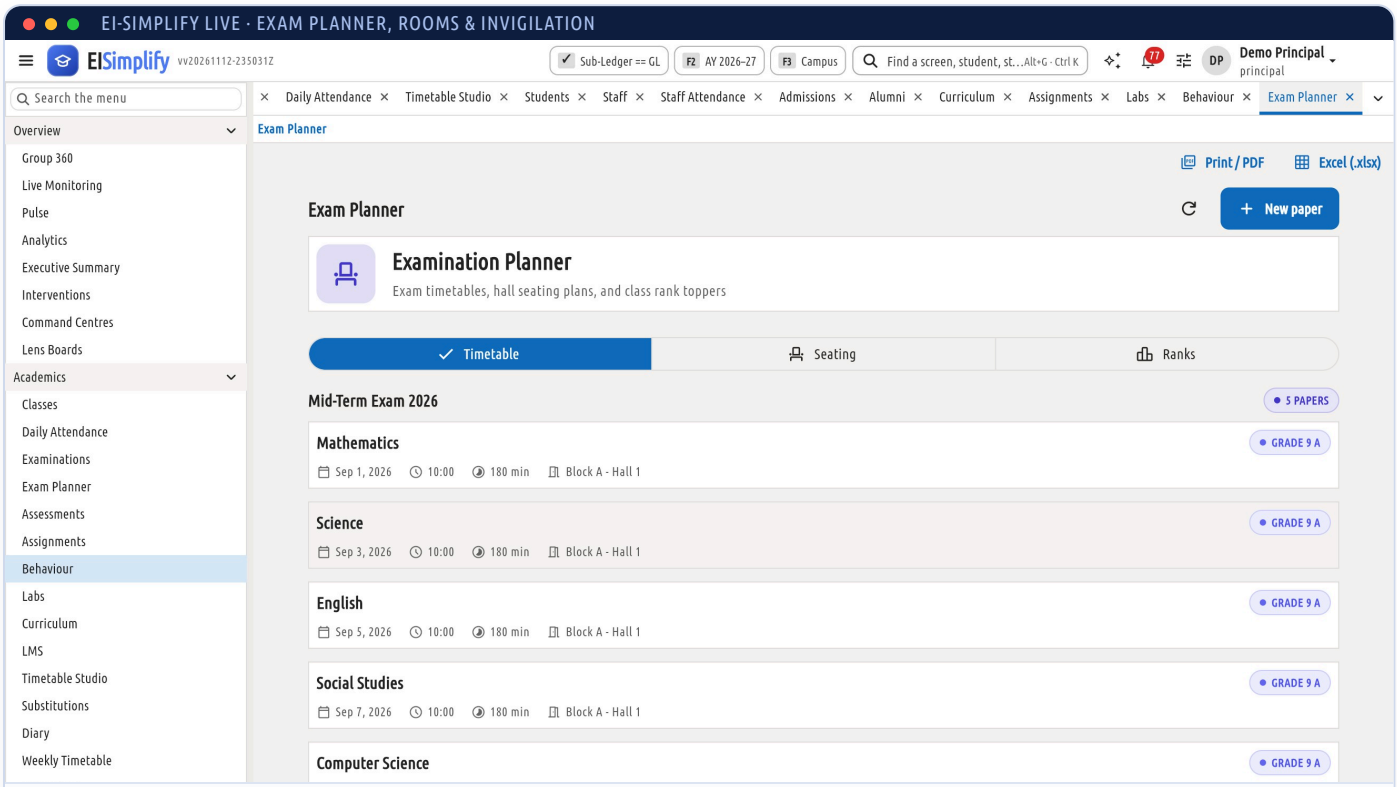
CHAPTER 06 · STUDENT CONDUCT, EXAM PLANNING & ASSESSMENTS

Holistic Formative Assessment & Positive Campus Culture

Recognise student achievements, log pastoral counselling notes, plan invigilation and hall seating, and capture continuous formative assessments.

MERIT & PASTORAL RECORDS | HALL SEATING & INVIGILATION | FORMATIVE & RUBRIC GRADING

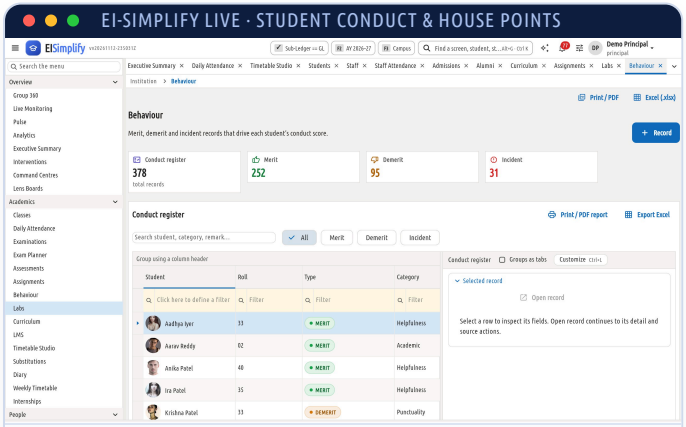
EI-SIMPLIFY LIVE · EXAM PLANNER, ROOMS & INVIGILATION



Exam Planner, Rooms & Invigilation

Coordinate date sheets, room capacities, roll-number seating plans, and invigilator duty rosters.

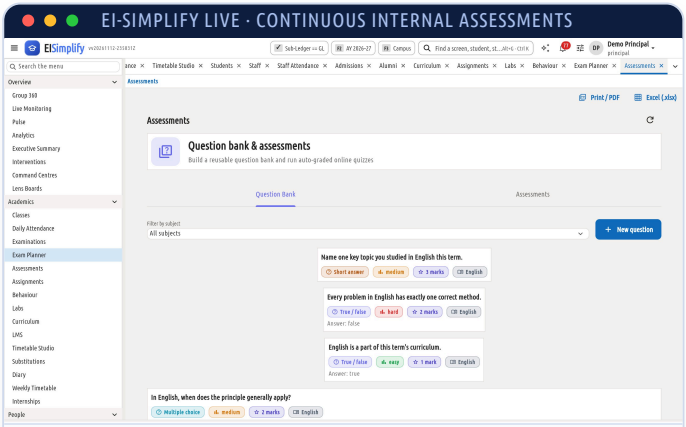
EI-SIMPLIFY LIVE · STUDENT CONDUCT & HOUSE POINTS



Student Conduct & House Points

Record commendations, house merits, and pastoral follow-ups with structured mentor workflows.

EI-SIMPLIFY LIVE · CONTINUOUS INTERNAL ASSESSMENTS



Continuous Internal Assessments

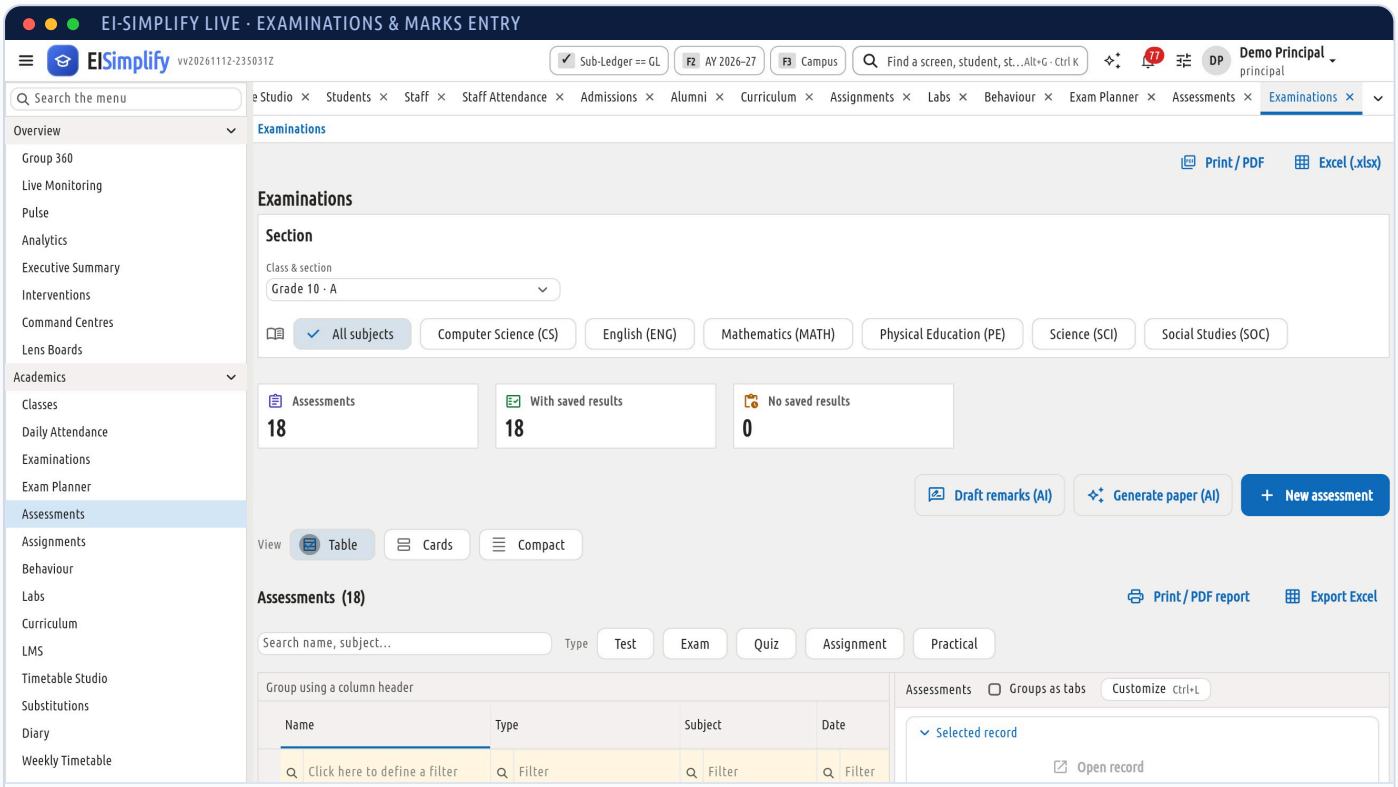
Capture quizzes, projects, practicals, and viva scores that feed automatically into term gradebooks.

CHAPTER 07 · EXAMINATIONS, CBCS CREDITS & OFFICIAL TRANSCRIPTS

Built for Both K-12 Report Cards & Higher-Ed Credit Systems

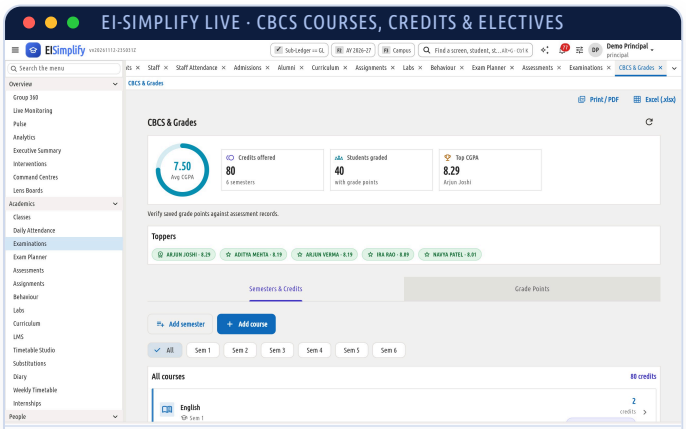
Support school term exams alongside university Choice-Based Credit System (CBCS) semesters, SGPA/CGPA computation, Academic Bank of Credits, and Direct A4 PDF Print Preview.

MARKS MODERATION & LOCK | CBCS SEMESTER & SGPA/CGPA | DIRECT A4 PDF PRINT PREVIEW



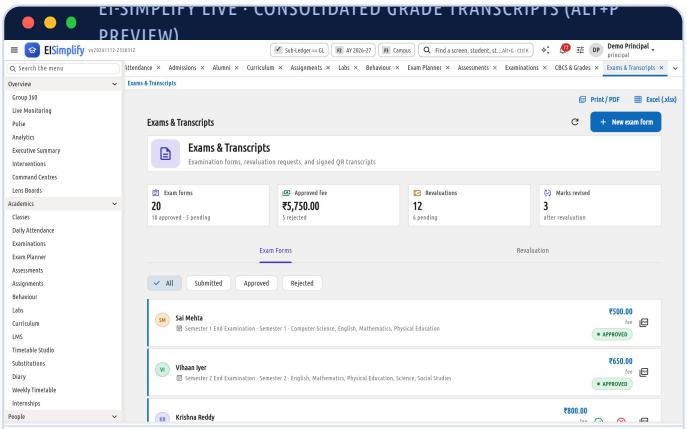
Examinations & Marks Entry

Fast keyboard-friendly marks entry, absentee handling, moderation locks, and instant result analytics.



CBCS Courses, Credits & Electives

Configure core, elective, and skill courses with credit weights, grade points, and NEP 2020 alignment.



Consolidated Grade Transcripts (Alt+P Preview)

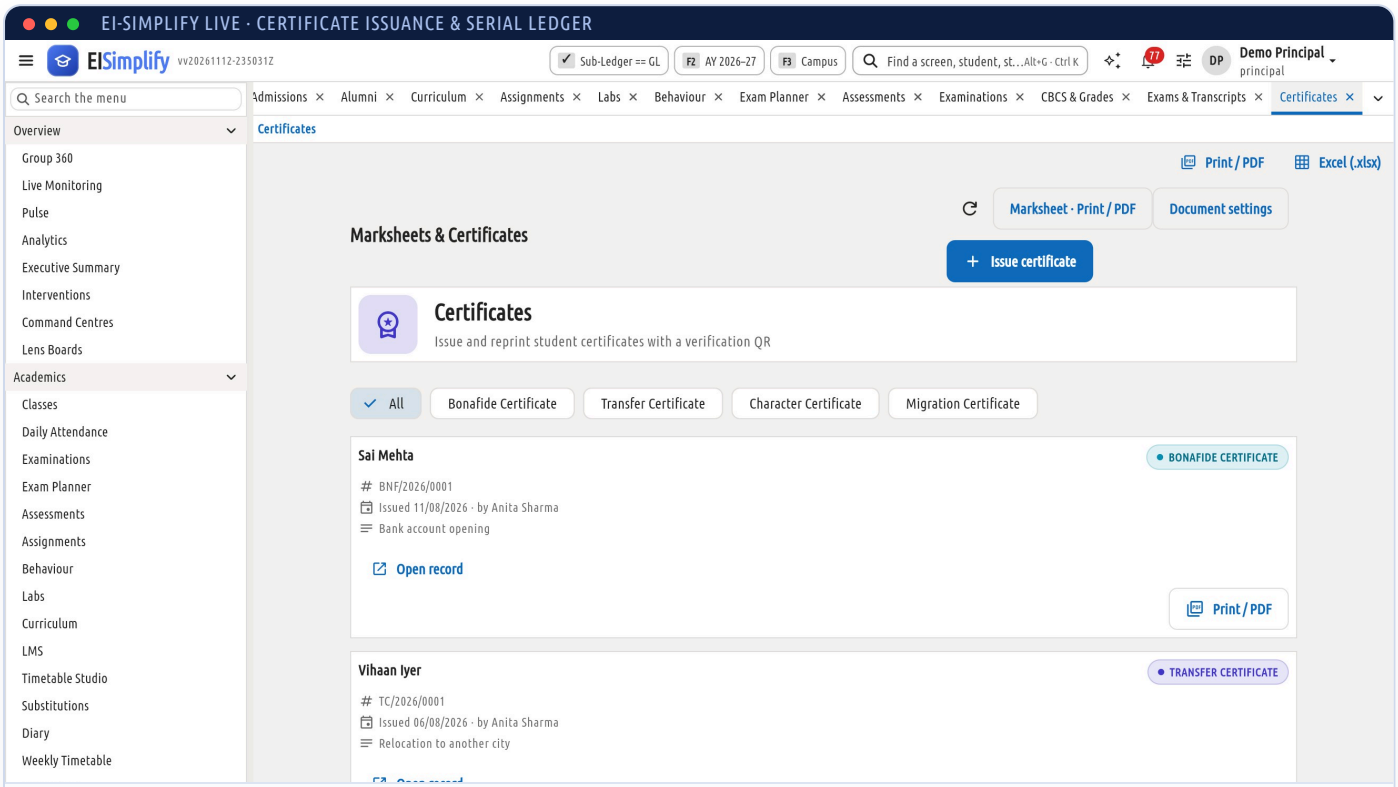
Generate multi-semester academic transcripts and inspect clean A4 pages directly in the built-in PDF viewer.

CHAPTER 07 · CERTIFICATES, DOCUMENT VAULT & CUSTOM REPORTS

Zero-Wait Bonafide, Transfer Certificates & Statutory Exports

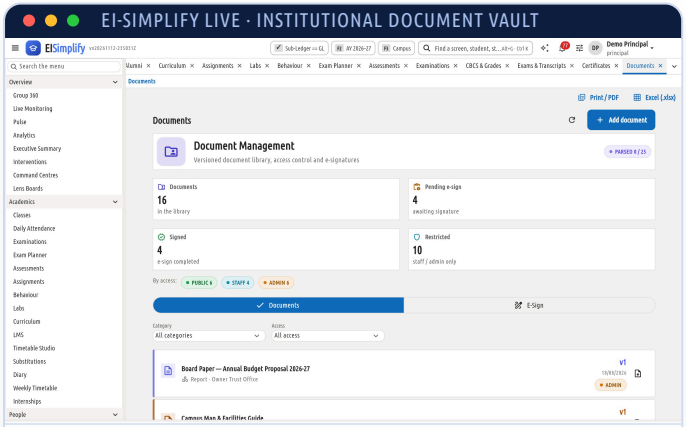
Issue serially numbered Transfer, Study, Conduct, and Migration certificates with built-in Direct PDF print preview (Alt+P) and Scoped Excel workbooks (Alt+E) across all 139 screens.

BRANDED TC & BONAFIDE PDFS | 132/132 DIRECT PDF PREVIEW | SCOPED EXCEL WORKBOOKS



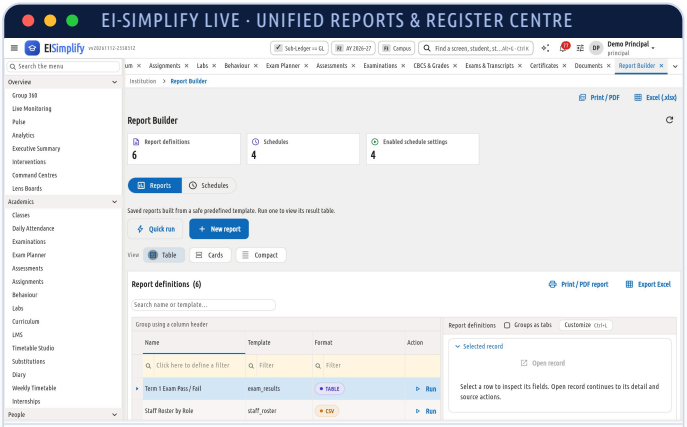
Certificate Issuance & Serial Ledger

Generate Transfer, Bonafide, Character, and Course Completion certificates with tamper-evident serial control.



Institutional Document Vault

Organise verified birth certificates, transfer records, circulars, and MoUs with role-based access.



Unified Reports & Register Centre

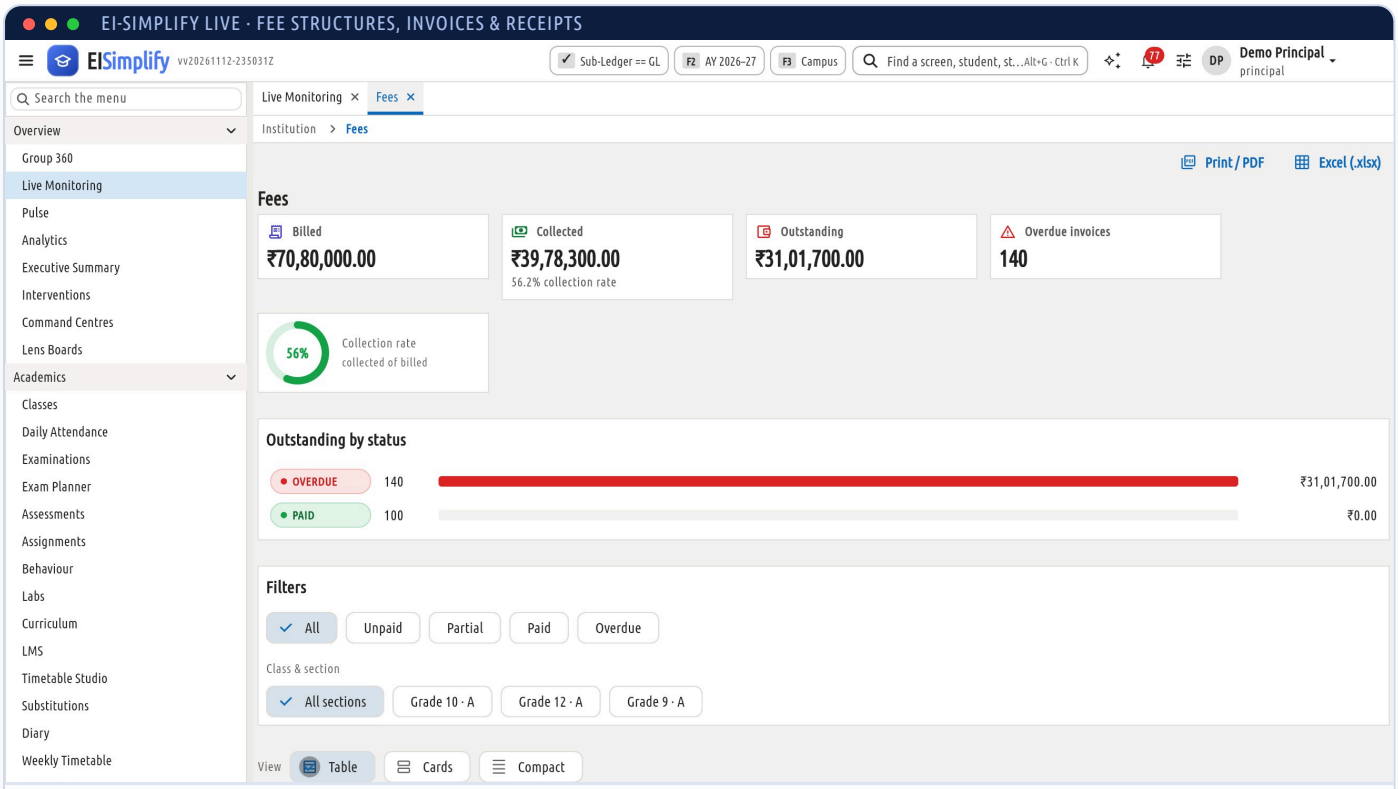
Press Alt+E on any register for formatted Excel (.xlsx) or Alt+P for instant Direct A4 PDF Print Preview.

CHAPTER 08 · FEE STRUCTURES, ONLINE COLLECTIONS & CONCESSIONS

Transparent Student Billing, Instant Receipts & Arrears Control

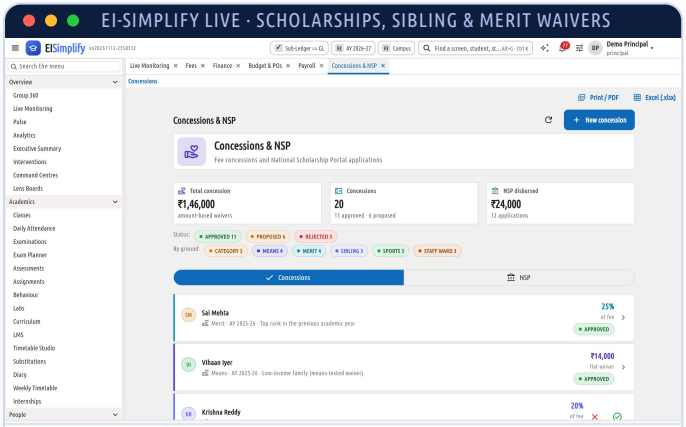
Configure multi-instalment fee plans by class or quota, accept online and counter payments, approve scholarships/waivers, and print numbered receipts.

FLEXIBLE INSTALMENT PLANS | UPI / GATEWAY & COUNTER MODES | AUDITED FEE CONCESSIONS



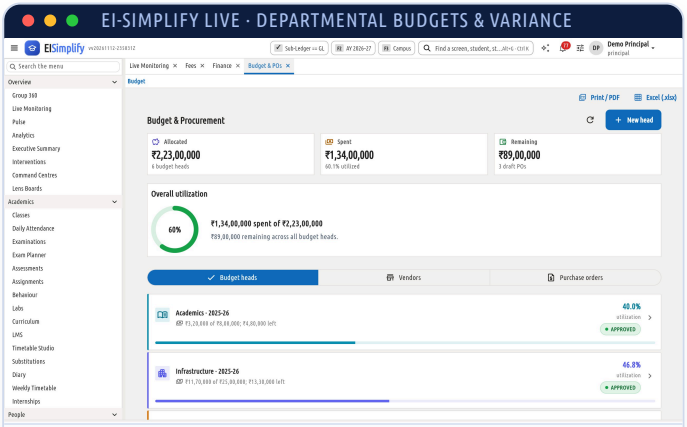
Fee Structures, Invoices & Receipts

Manage tuition, lab, transport, and hostel fee heads with real-time paid/pending status and instant PDF receipts.



Scholarships, Sibling & Merit Waivers

Structured approval workflow for merit scholarships, staff-ward discounts, and RTE/government fee waivers.



Departmental Budgets & Variance

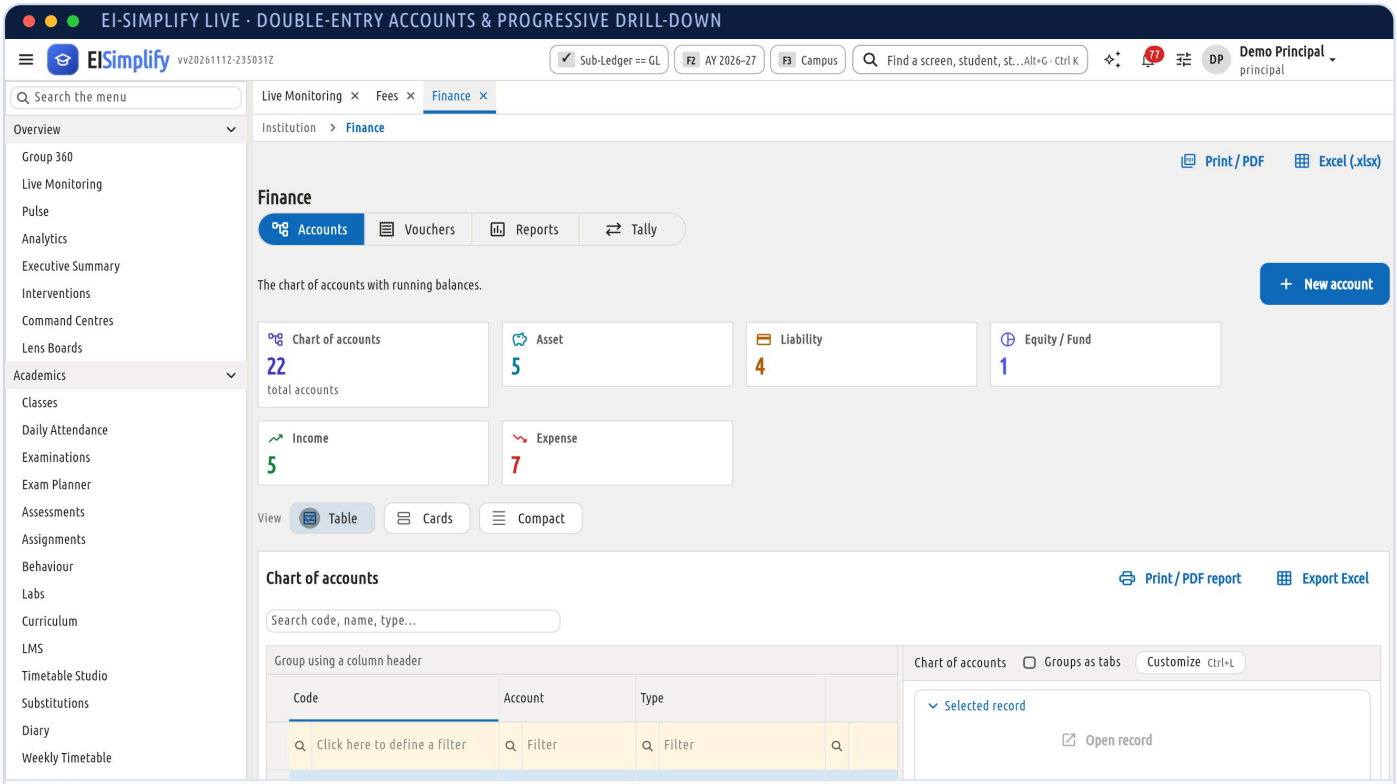
Set annual revenue and expense budgets per department and track live actuals against sanctioned limits.

CHAPTER 08 · DOUBLE-ENTRY FINANCE, ZERO-VARIANCE DRILL-DOWN & PAYROLL

Double-Entry Clarity With Zero-Variance Drill-Down to Source Voucher

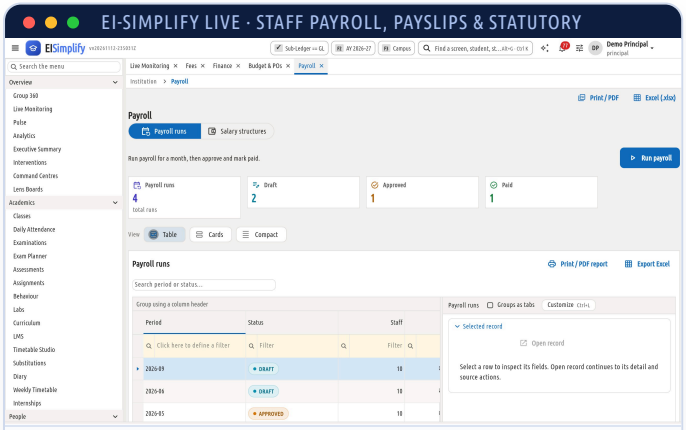
Every fee receipt, salary run, vendor bill, and trial balance total drills down step by step to source vouchers with live reconciliation proof.

ZERO-VARIANCE RECONCILIATION SEAL | DRILL-DOWN TO SOURCE VOUCHER | AUTOMATED MONTHLY PAYROLL



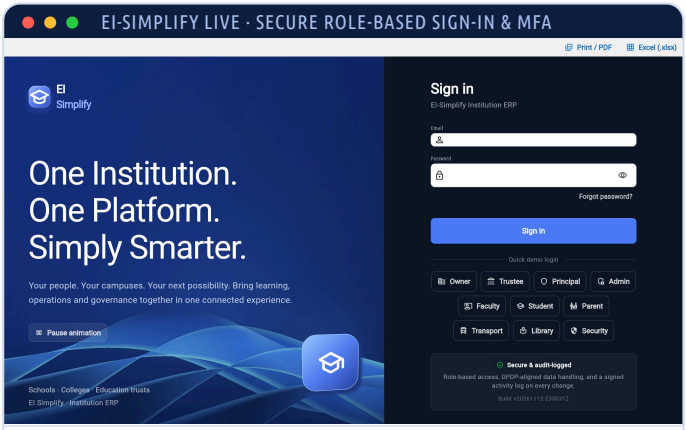
Double-Entry Accounts & Progressive Drill-Down

Chart of accounts, payment/receipt/journal vouchers, bank reconciliation, and clickable drill-down with Parent == Sum verification.



Staff Payroll, Payslips & Statutory

Compute earnings, PF, ESI, PT, and TDS deductions automatically and inspect payslips via Direct A4 PDF Preview.



Secure Role-Based Sign-In & MFA

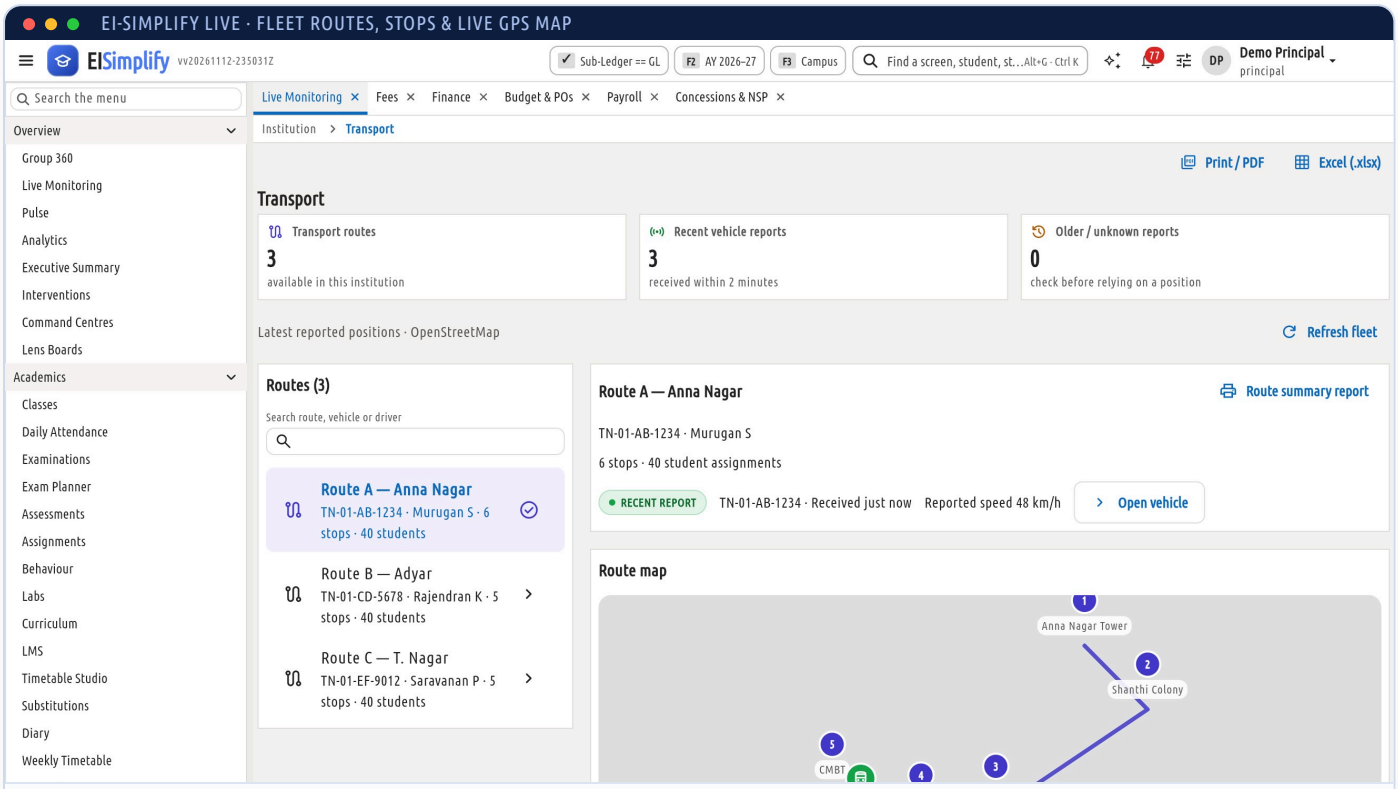
Enterprise authentication with optional multi-factor verification, signed audit logs, and role-scoped access.

CHAPTER 09 · SMART CAMPUS OPERATIONS: TRANSPORT, LIBRARY & HOSTEL

Safe Buses, Automated Libraries & Well-Managed Residences

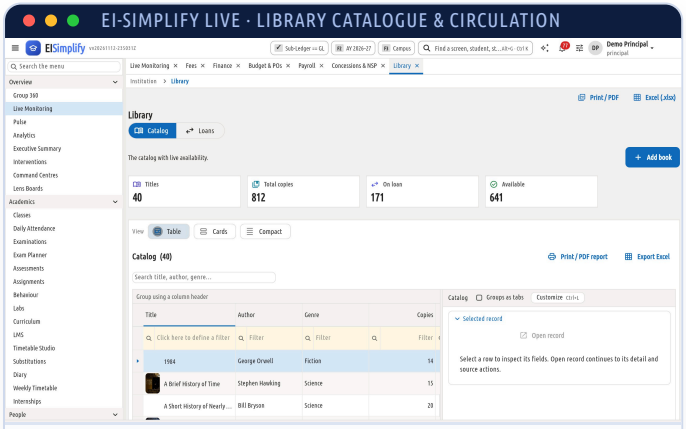
Connect daily student services directly to student profiles and fee ledgers — live bus route maps, barcode library circulation, and hostel room occupancy.

LIVE GPS BUS TRACKING | OPAC & BARCODE CIRCULATION | HOSTEL ROOM & MESS BILLING



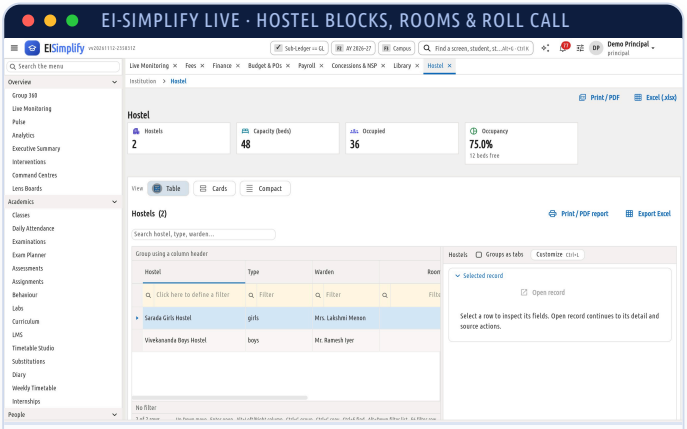
Fleet Routes, Stops & Live GPS Map

Visualise active buses on interactive maps, optimise stop capacities, and notify parents on pickup and drop.



Library Catalogue & Circulation

Manage accession registers, ISBN lookup, issue/return desks, overdue fines, and digital reading reservations.



Hostel Blocks, Rooms & Roll Call

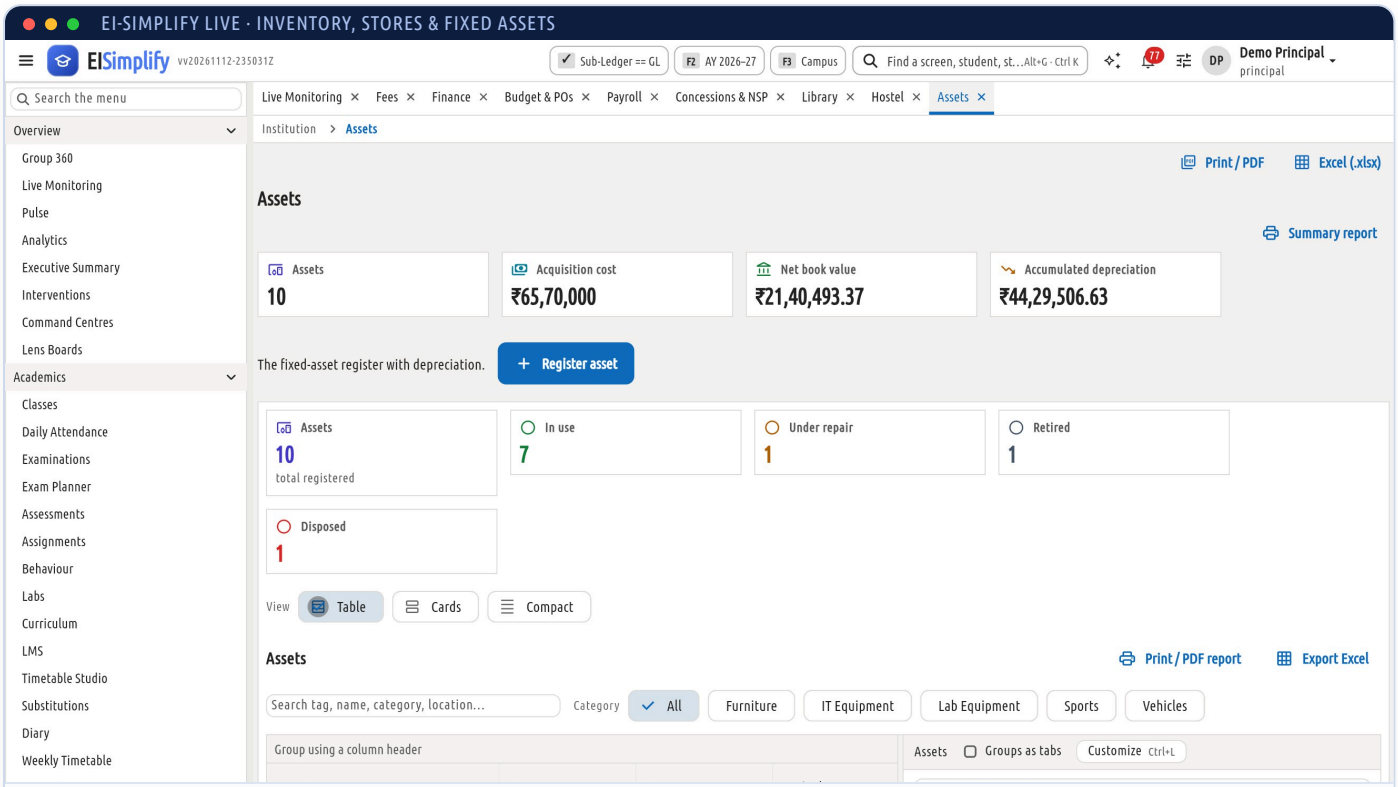
Allocate beds across boys/girls residences, record night attendance, and manage mess/warden operations.

CHAPTER 09 · FIXED ASSETS, CAMPUS CANTEEN & GATE SECURITY

Complete Control Over Physical Infrastructure & Campus Entry

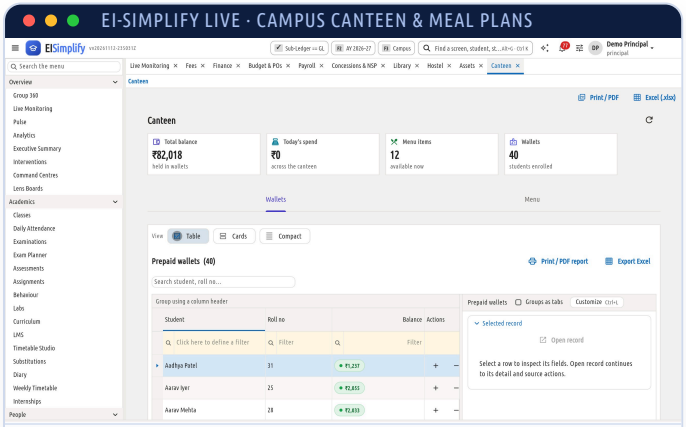
Track every projector, lab instrument, store item, canteen wallet transaction, student gate pass, and campus visitor from one operational suite.

ASSET TAGGING & AMC ALERTS | CASHLESS CANTEEN & MENUS | VERIFIED GATE PASS & VISITORS



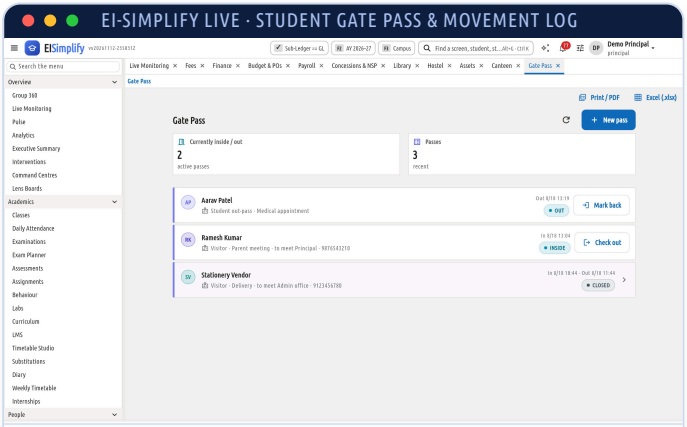
Inventory, Stores & Fixed Assets

Track purchase orders, stock levels, room-wise asset custody, depreciation schedules, and maintenance logs.



Campus Canteen & Meal Plans

Publish daily nutritional menus, manage prepaid student/staff meal cards, and monitor kitchen stock.



Student Gate Pass & Movement Log

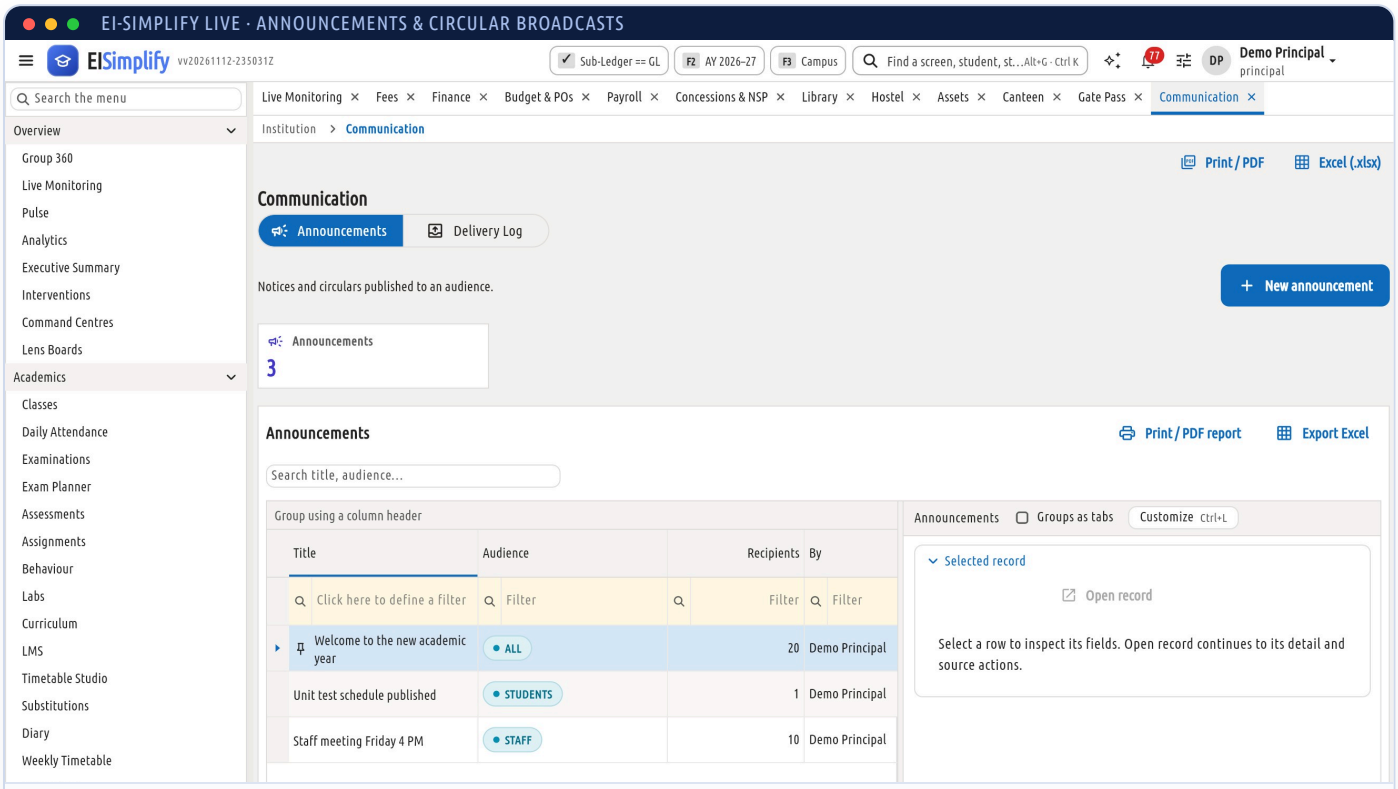
Digital early-leave authorisations with guardian verification and timestamped security check-out/check-in.

CHAPTER 10 · PARENT-TEACHER ENGAGEMENT & OMNICHANNEL COMMS

Keep Every Family Informed Without Scattered Chat Groups

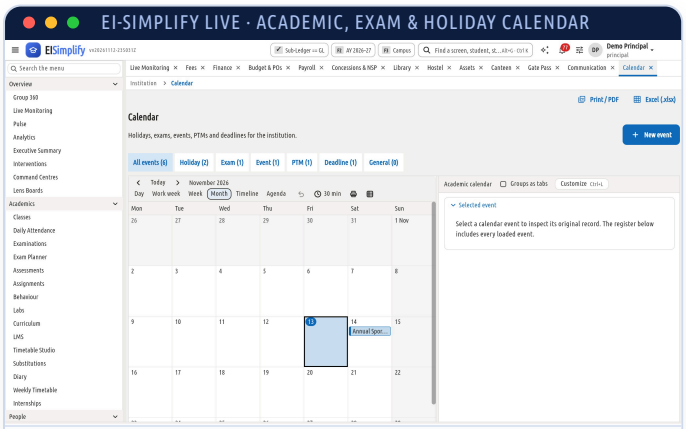
Send targeted circulars via app push, SMS, WhatsApp, and email, publish the academic calendar, and run slot-booked Parent-Teacher Meetings.

TARGETED PUSH / SMS / EMAIL | UNIFIED ACADEMIC CALENDAR | SLOT-BOOKED PTM SCHEDULES



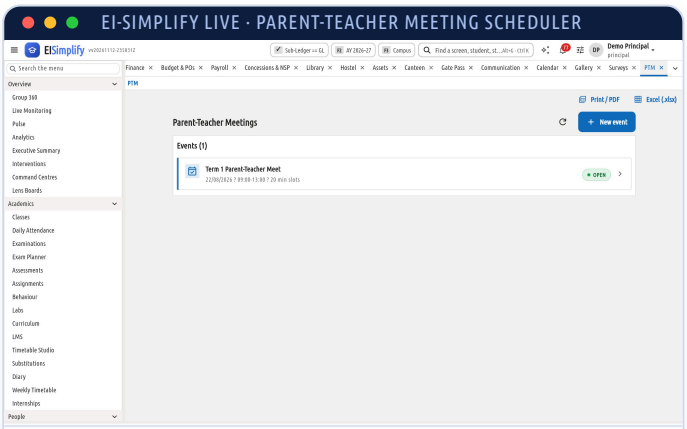
Announcements & Circular Broadcasts

Send class, campus, or trust-wide notices with read receipts, attachments, and multilingual template support.



Academic, Exam & Holiday Calendar

Single authoritative schedule for term dates, exams, cultural events, holidays, and PTM windows.



Parent-Teacher Meeting Scheduler

Publish teacher time slots, let parents book online without clashes, and log meeting action notes.

CHAPTER 10 & 11 · COMMUNITY, DPDP ACT 2023 + RULES 2025 & SECURITY

Vibrant Campus Life Backed by DPDP Act 2023 & 72h Breach Governance

Protect 24 personal data tables with 5-language Eighth-Schedule notices, Section 9 minor guardian shields, live PII masking, and 72-hour breach SLA tracking.

5-LANGUAGE 8TH-SCHEDULE NOTICES | SECTION 9 MINOR SHIELD | 72H BREACH SLA & PII MASKING

Toggle live PII masking, enforce MFA and role permissions, and inspect immutable user activity histories.

All metrics and registers above support live filtering, progressive drill-down to source entries, Excel (.xlsx) export, and A4 PDF print preview.

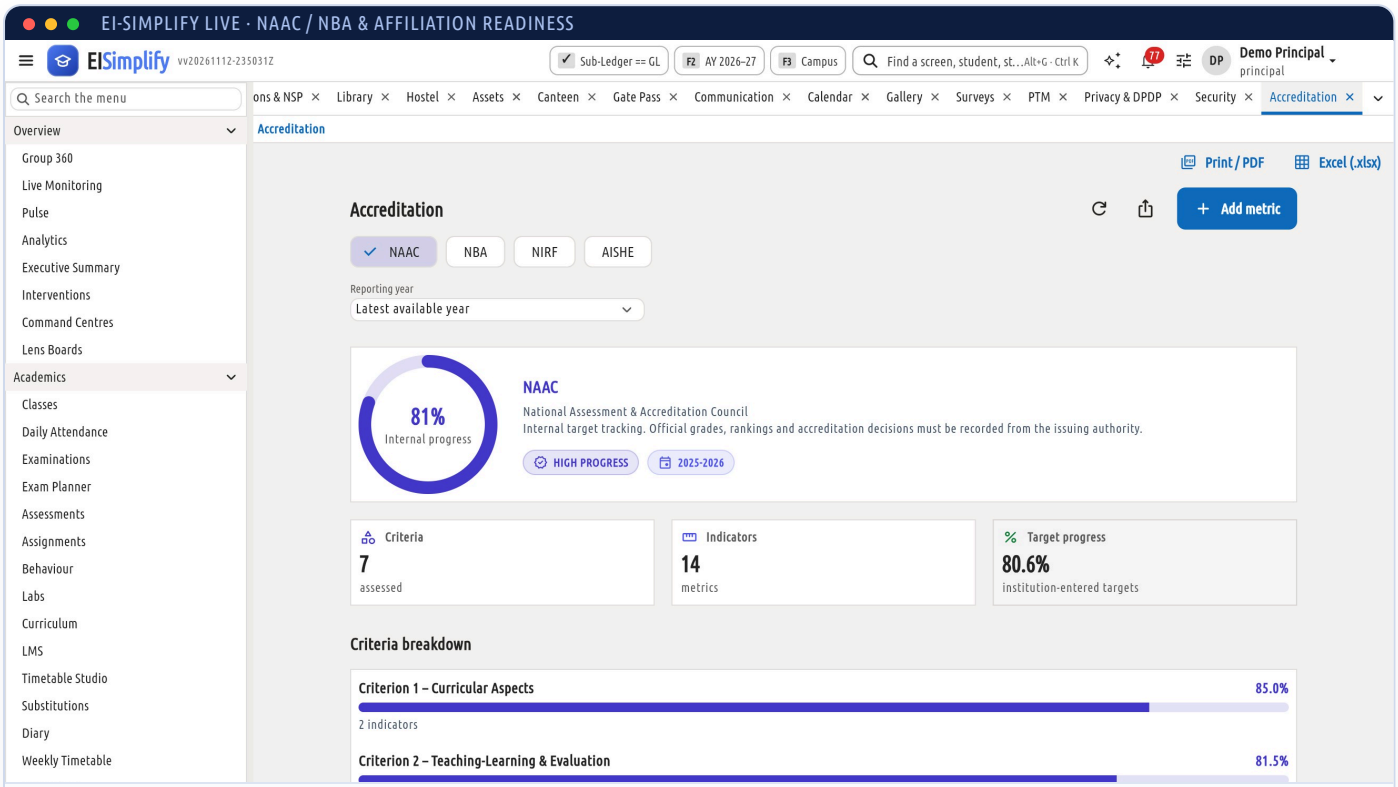
LIVE PRODUCTION UI

CHAPTER 11 · ACCREDITATION, INTERVENTIONS & STATUTORY READINESS

Always Inspection-Ready for CBSE, State Boards, NAAC & NBA

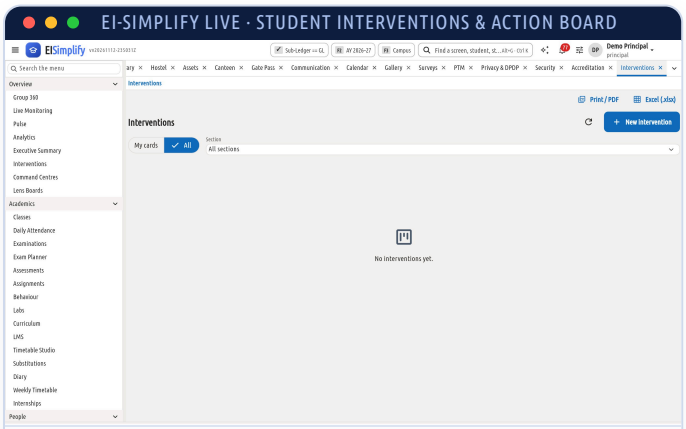
Eliminate last-minute spreadsheet scrambles during affiliation renewals or NAAC/NBA peer visits with live criterion evidence and pastoral tracking.

NAAC / NBA CRITERION MAPPING | STRUCTURED STUDENT INTERVENTIONS | STATUTORY FILING CHECKLISTS



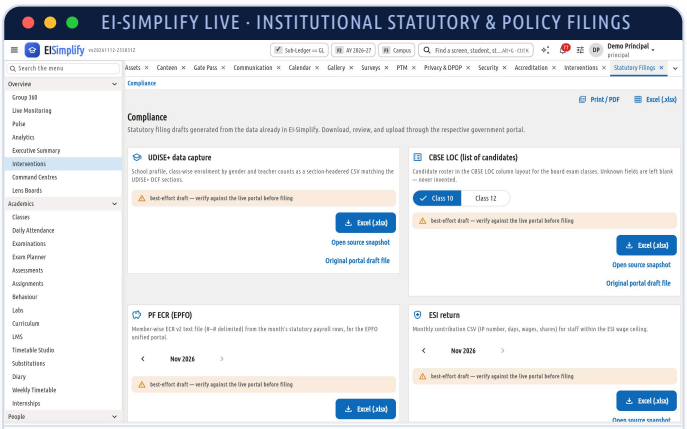
NAAC / NBA & Affiliation Readiness

Organise quantitative metrics, SSR evidence attachments, and criterion-wise readiness scores year-round.



Student Interventions & Action Board

Coordinate academic remedial plans, attendance follow-ups, and counsellor check-ins with measurable outcomes.



Institutional Statutory & Policy Filings

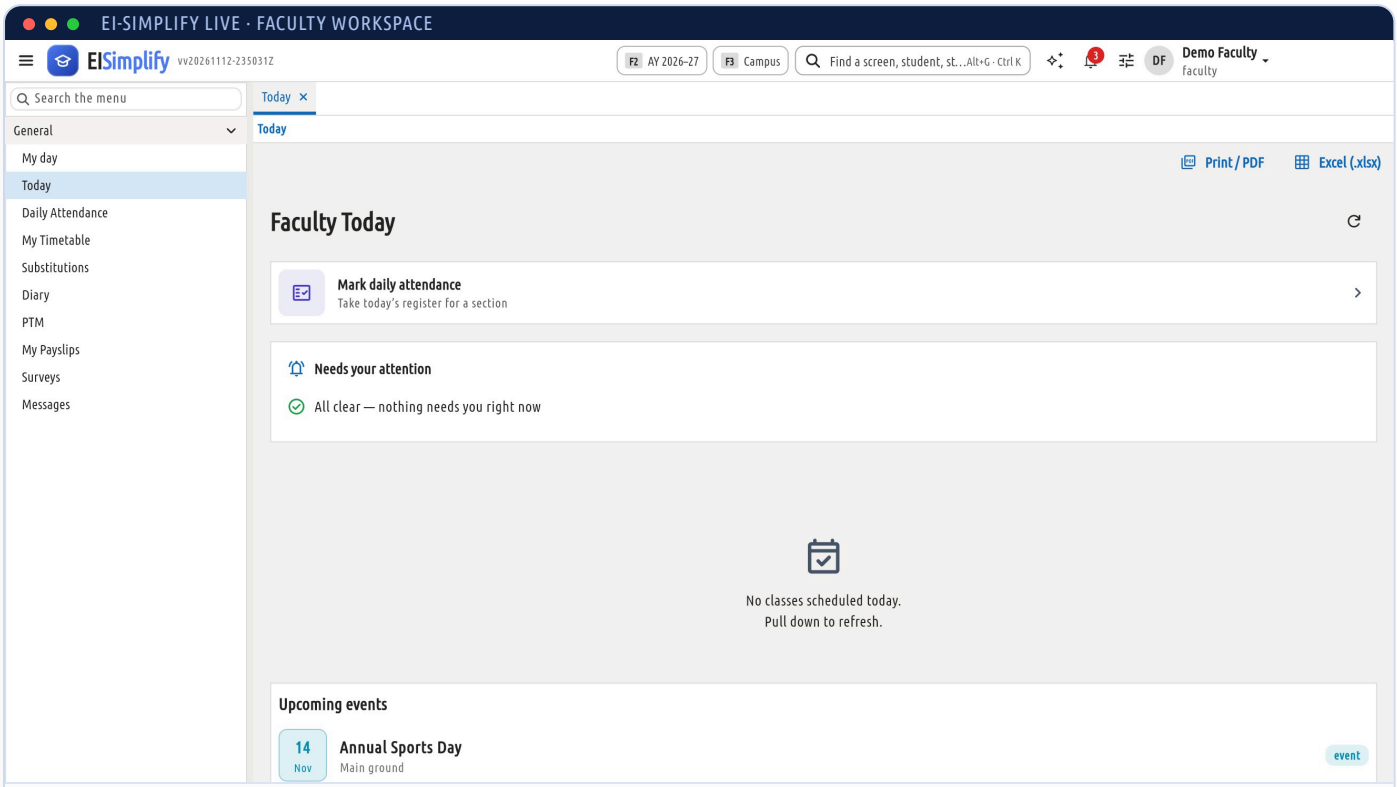
TrackRTE, UDISE+, AISHE, safety certificates, and mandatory public disclosures from a single checklist.

CHAPTER 12 · TAILORED WORKSPACES FOR TEACHERS, STUDENTS & PARENTS

Zero Clutter: Every Person Sees Only What Matters to Their Day

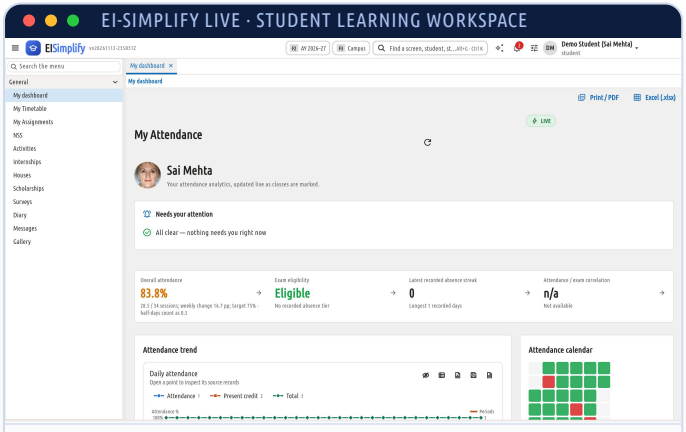
Teachers open straight to today's classes and attendance; students see timetables, assignments, and grades; parents track children, fees, and bus movement.

TEACHER DAY-SHEET & MARKS | STUDENT LEARNING HUB | MULTI-CHILD PARENT PORTAL



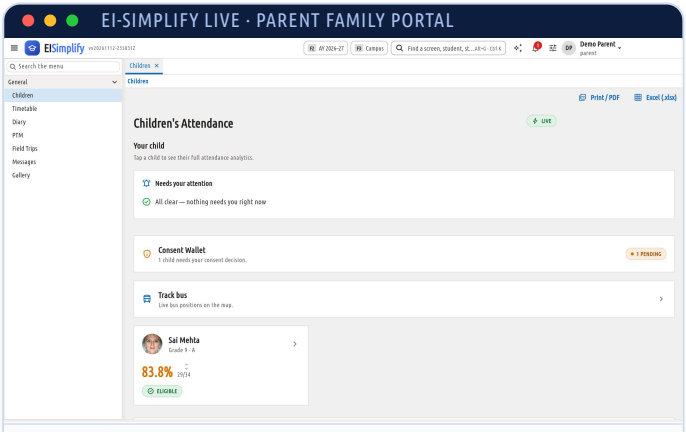
Faculty Workspace

Today's teaching periods, one-tap attendance, lesson progress, assignment grading, and leave requests.



Student Learning Workspace

Personal timetable, upcoming homework, exam schedule, digital library loans, and published report cards.



Parent Family Portal

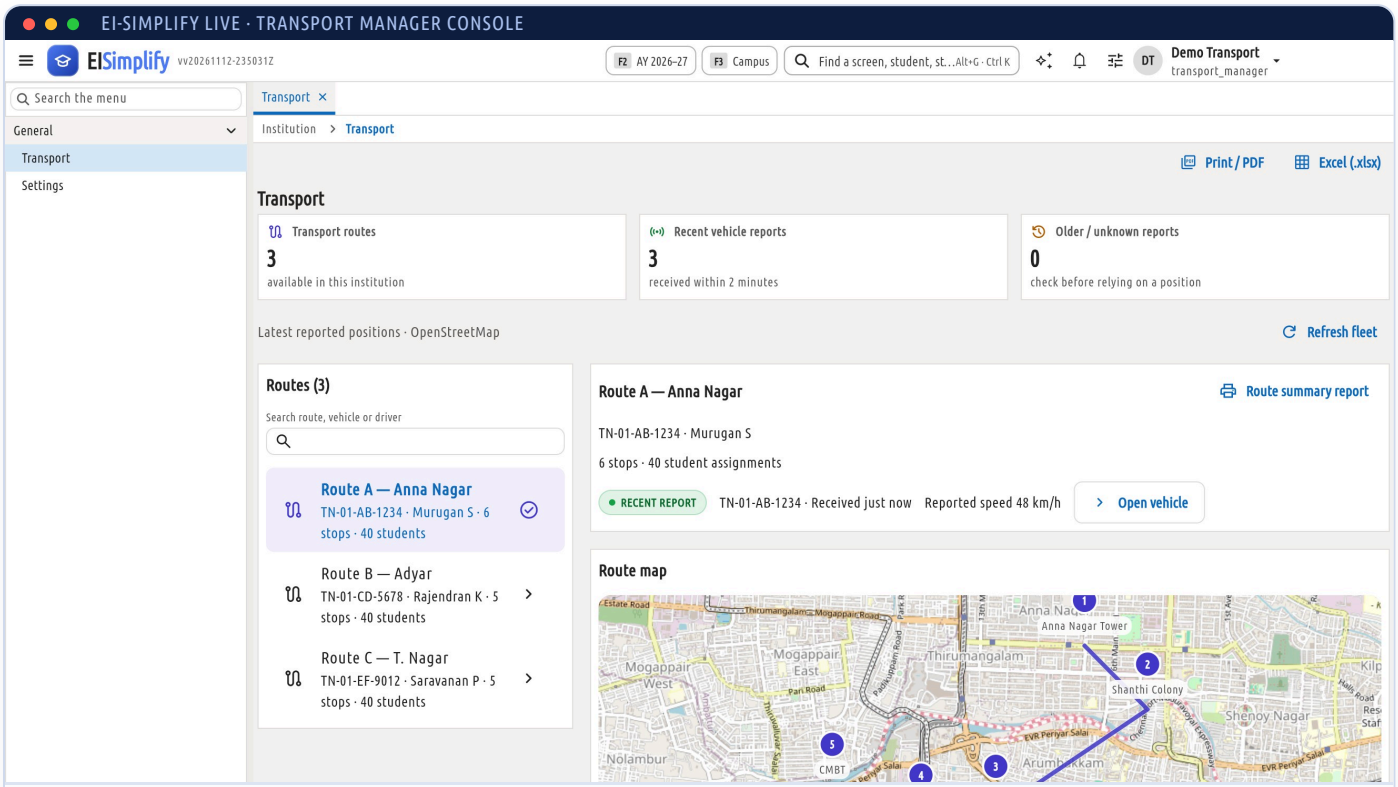
Switch seamlessly between siblings, pay fee instalments online, view attendance alerts, and book PTM slots.

CHAPTER 12 · DEDICATED SPECIALIST DESKS: TRANSPORT, LIBRARY & SECURITY

Purpose-Built Operational Consoles for Frontline Campus Teams

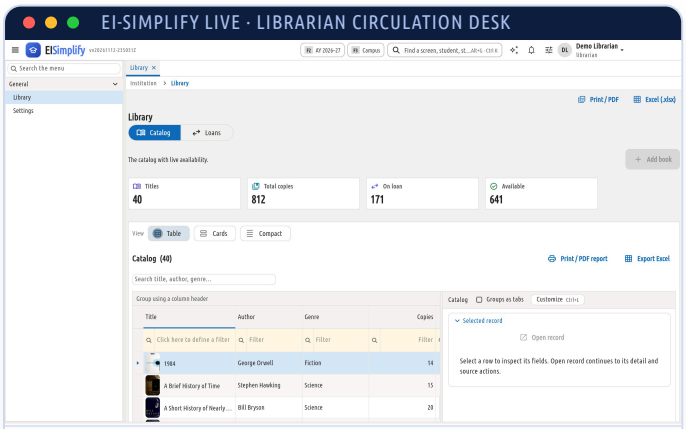
Specialist staff don't wade through academic menus — transport managers, librarians, and gate officers get fast, task-focused operational consoles.

FLEET DISPATCH CONSOLE | RAPID ISSUE/RETURN DESK | TOUCH-FRIENDLY GATE KIOSK



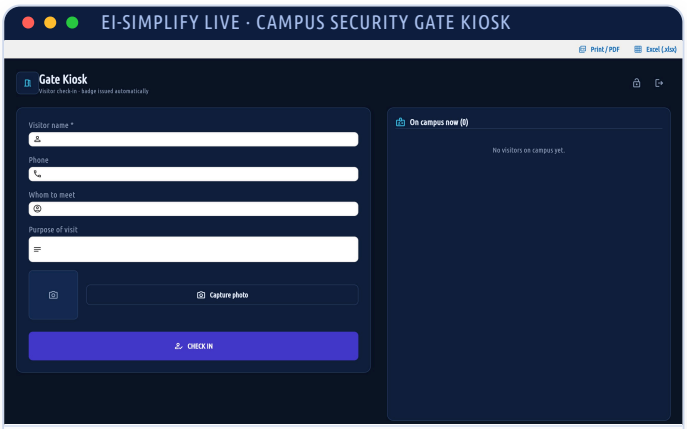
Transport Manager Console

Live route status, driver/attendant rosters, vehicle fitness renewals, and stop-wise student manifests.



Librarian Circulation Desk

Instant member scan, book issue/return, reservation queue, and overdue recovery in two keystrokes.



Campus Security Gate Kiosk

High-contrast gate verification screen for visitor badges, approved student gate passes, and vehicle logs.

12 PRE-ENGINEERED INSTITUTIONAL ROLES

Least-Privilege Governance Across Web & Native Android

Permissions are enforced both in the user interface and on every server API call, ensuring each stakeholder accesses only authorised campuses and records.
